

4 April 2022

Dear Shareholder,

Invitation to Participate in Share Purchase Plan

On 24 March 2022, Bannerman Energy Ltd (ACN 113 017 128) (**Bannerman** or **the Company**) announced that it had received firm commitments for a placement of 185,000,000 fully paid ordinary shares (**Shares**) at a price of A\$0.22 per Share to sophisticated, institutional and professional investors, raising approximately A\$40.7 million (**Placement**). The Placement completed and Shares were issued on 1 April 2022.

In order to provide Eligible Shareholders (defined below) with the ability to participate in the Company's capital raising activities, the Company is pleased to provide details of a Share Purchase Plan (**Plan**).

Under the Plan, Eligible Shareholders will have the opportunity to purchase up to A\$30,000 worth of Shares at the same price as the Placement, irrespective of the size of their shareholding, without incurring brokerage or transaction costs.

The offer under the Plan (**Offer**) is intending to raise a maximum of A\$5.0 million on the terms and conditions (**Terms and Conditions**) contained in this letter.

If total demand for the Offer exceeds A\$5.0 million, the Company reserves the right to accept oversubscriptions or to close the Offer early and scale back applications in its absolute and sole discretion. When determining the amount (if any) by which to scale back an application, the Company will take into account a number of factors, including compliance with regulatory requirements, the amount applied for by an applicant, the size of an applicant's shareholding, the extent to which an applicant has sold or purchased additional Shares after the Record Date, whether the applicant has multiple registered holdings and the date an application was made. Eligible Shareholders are, therefore, encouraged to submit their applications early.

Shareholders Eligible to Participate in the Plan

Participation under the Plan is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares at 7:00pm (AEDT) on Wednesday 23 March 2022 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**). Eligible Shareholders who wish to participate in the Offer are encouraged to submit their applications early.

Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to A\$30,000 worth of Shares at an issue price of A\$0.22 per Share (**Price**) being the same price as the Shares offered to sophisticated and professional investors under the Placement. The Price represents a discount of 11.3% to A\$0.248 (being the volume weighted average market price (**VWAP**) of the Shares over the last five trading days on which sales in the Shares were recorded before the day on which the Plan was announced.

Whilst the Company intends to raise A\$5.0 million under the Plan, the Company reserves the right to accept additional applications subject to shareholder demand and compliance with the ASX Listing Rules. In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued under a share purchase plan is that amount equal to 30% of the Company's existing issued share capital. Accordingly, as at the date of this document the maximum number of Shares which can be issued under this Plan will be 425,850,357 .

Depending on applications received, the Company may, in its absolute discretion, undertake a scale back so that not more than A\$5.0 million is raised under the Plan. Scale back decisions are made by the Board in its sole discretion and are final.

The Plan will not be underwritten.

The directors of the Company who are Eligible Shareholders may participate under the Plan.

Current Activities

Details of the Company's current activities are set out in the announcements made by the Company to the ASX and are available from the ASX platform (ASX:BMN), or the Company's website at www.bannermanenergy.com.

Once an Application has been made it cannot be revoked.

Multiple Holdings

The maximum investment any Eligible Shareholder may apply for will remain A\$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application amount paid for the Shares the subject of the Application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of submission does not exceed A\$30,000.

Custodians and Nominees

Eligible Shareholders who hold Shares as Custodian or Nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for up to a maximum amount of A\$30,000 worth of Shares in respect of each Beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions enclosed with this letter. Please refer to the Terms and Conditions for more details.

Relationship of Issue Price with Market Price

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was A\$0.265. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your Application under this Offer.

By making an Application under this Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the Price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an Application under this Offer.

Additional Information and Important Dates

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Offer cannot be transferred, and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back any Application. Shares issued under the Plan will be issued no more than five business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is A\$5.0 million. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

If total demand for the Offer exceeds A\$5.0 million, the Company reserves the right to accept oversubscriptions or to close the Offer early and scale back Applications in its absolute and sole discretion. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary.

When determining the amount (if any) by which to scale back an Application, the Company will take into account a number of factors, including compliance with regulatory requirements, the amount applied for by an applicant, the size of an applicant's shareholding, the extent to which an applicant has sold or purchased additional Shares after the Record Date, whether the applicant has multiple registered holdings and the date an Application was made. Eligible Shareholders are, therefore, encouraged to submit their Applications early.

If the Company rejects or scales-back an Application or purported application, the Company will promptly return to the shareholder the relevant Application monies, without interest.

Eligible Shareholders are, therefore, encouraged to submit their Applications early.

If the Company rejects or scales-back an Application or purported Application, the Company will promptly return to the shareholder the relevant application monies, without interest.
