Suspension and Liquidation of Melchior Japan Advantage Fund

Dear shareholder,

We are writing to you as a shareholder of Melchior Japan Advantage Fund (the "**Sub-Fund**").

The board of directors of the Company (the "**Board**") wants to inform you that the current level of assets of the Sub-Fund, estimated at JPY 1,023,800,000.- (EUR 7,831,903.-) on 09 April 2021, is not sufficient to operate the Sub-Fund in an economically efficient manner.

Considering that section XIX "*General Information*", sub-section 4 "*Dissolution and Merger*", of the Company's prospectus (the "**Prospectus**") and Article 24 of the articles of incorporation of the Company (the "**Articles**") provide that if the value of the net assets of any sub-fund has decreased to an amount determined by the Board, and currently fixed at EUR 10,000,000 (or its equivalent in another currency), to be the minimum level for such sub-fund to be operated in an economically efficient manner, or in case of a significant change of the economic or political situation or in order to proceed to an economic rationalisation, the Board may, at its discretion, elect to redeem all, but not less than all, of the shares of such sub-fund then outstanding at the net asset value per share in such sub-fund (taking into account actual realisation prices of investments and realisation expenses), calculated on the valuation day at which such decision shall take effect.

Considering that the Board, in consultation with Dalton Strategic Partnership LLP (the "**Investment Manager**"), does not expect this situation to change, it is recommended that, in the interest of its shareholders, the Sub-Fund should be placed into liquidation.

Therefore, in the best interest of investors, the Board resolved to:

- (i) put the Sub-Fund into liquidation and suspend the determination of the net asset value per share as well as the issue, conversion and redemption of the shares within the Sub-Fund, in accordance with the procedure and provisions of the Prospectus and of the Articles, as from **26 April 2021**; and
- (ii) compulsorily redeem all the shares of the Sub-Fund as of **30 April 2021** (the "**Effective Date**") at the net asset value per share (taking into account actual realisation prices of investments and realisation expenses), calculated on the valuation day of such day (the "**Liquidation Proceeds**").

Any holding that you retain in the Sub-Fund on the Effective Date will be redeemed at the net asset value per share applicable on that date and the proceeds will be sent to you in accordance with the payment instructions that we hold on file for your account.

Upon payment of the Liquidation Proceeds in accordance with the provisions of the Prospectus, you shall have no further interest in the Sub-Fund or any claim against the Company or its assets in respect thereof.

Any fees or costs incurred within the context of the liquidation, other than the costs of realising the Sub-Fund's investments, will be borne by the Investment Manager.

Liquidation Proceeds which are not able to be distributed to the relevant shareholders upon liquidation of the Sub-Fund will be deposited with the *Caisse de Consignation* on behalf of the persons entitled to them. If they are not claimed, liquidation proceeds will be forfeited after thirty (30) years.

Yours faithfully,

For the board of directors of Melchior Selected Trust
