Canaccord Genuity Group, which acquired Petsky Prunier in early 2019, has built a dominant, full-service middle market investment bank serving growth companies in Technology, Media, Marketing, and Information Services (TMMIS). The acquisition of Consumer-focused Sawaya Partners in 2021 has further strengthened our combined firms' capabilities in the E-commerce and tech-enabled Retail Solutions space, among other areas. Over the past twelve months, our TMMIS team continued to build on the significant level of deal activity that had resulted in a record year for our firm in 2021. During the twelve months ended June 30, 2022, Canaccord Genuity's TMMIS Team:

- Completed 127¹ total transactions for 119 different corporate clients
- Completed 42 capital markets transactions, including IPOs, Follow-Ons, ATMs, PIPEs, and capital markets advisory on SPAC business combinations
 - Acted as underwriter on 30 capital markets transactions, raising in excess of \$12.8 billion in cumulative proceeds for more than 25 different issuers
 - o Book-ran six equity offerings and managed three "At-the-Market" programs
- Closed 85 advisory engagements¹, which ranged from growth and minority investments to strategic sales and private equity recaps
 - More than two-thirds of M&A transactions involved Financial Sponsors on at least one side of the deal
