INVITATIONS BY

LLOYDS BANKING GROUP PLC
(the “Offeror”)

to the holders of the following Preference Shares (each a “Series” and together the “Preference Shares”) to tender any and all of such Preference Shares for purchase by the Offeror for cash (each such invitation an “Offer” and, together, the “Offers”)

Description of Preference Shares	ISIN	Aggregate Liquidation Preference Outstanding	Purchase Price (including accrued and unpaid dividends)¹	Amount subject to the Offer
£198,065,600 6.475% Non-Cumulative Preference Shares ² (the “ 6.475% Preference Shares ”)	GB00B3KSB568	£56,472,211	112.050%	Any and all
£300,000,000 9.25% Non-Cumulative Irredeemable Preference Shares (the “ 9.25% Preference Shares ”)	GB00B3KS9W93	£299,987,729	167.250%	Any and all

Description of Preference Shares	ISIN	Aggregate Liquidation Preference Outstanding	Purchase Price (including accrued and unpaid dividends) ¹	Amount subject to the Offer
£100,000,000 9.75% Non-Cumulative Irredeemable Preference Shares (the "9.75% Preference Shares")	GB00B3KSB238	£55,740,886	174.200%	Any and all

¹ If the General Settlement Date is not a dividend payment date in respect of the relevant Series of Preference Shares, the Purchase Price in respect of that Series of Preference Shares includes an amount equal to accrued and unpaid dividends on the relevant Preference Shares from, and including, the dividend payment date for the relevant Preference Shares immediately preceding the General Settlement Date up to, but excluding, the General Settlement Date. Accordingly, the Purchase Price for the 6.475% Preference Shares includes an amount equal to accrued and unpaid dividends on the relevant Preference Shares from, and including, the dividend payment date for the relevant Preference Shares immediately preceding the General Settlement Date up to, but excluding, the General Settlement Date. The next dividend payment date pursuant to the terms of the 9.25% Preference Shares and the 9.75% Preference Shares is 30 November 2021 (for which purposes the record date for each Series was 5 November 2021 (the "Record Date")). Holders of such Preference Shares as at the Record Date will be entitled to the dividend payment due on 30 November 2021 pursuant to the terms of each Series. Such payment will be in addition (but separate) to any payment of the Purchase Price and any Incremental Accrued Dividend Payment by the Offeror pursuant to the terms of the relevant Offer. Accordingly, the amount equal to accrued and unpaid dividends which is included in the respective Purchase Price for each of the 9.25% Preference Shares and the 9.75% Preference Shares is zero.

For Preference Shares accepted for purchase by the Offeror for settlement on the General Settlement Date, there shall be no additional payment by the Offeror after the General Settlement Date in respect of any accrued and unpaid dividends.

In respect of any Preference Shares which are accepted for purchase from Retail Holders for which the respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline, the Offeror will also pay on the Retail-Only Settlement Date an amount equal to any accrued and unpaid dividends on the relevant Preference Shares from, and including, the General Settlement Date up to, but excluding, the Retail-Only Settlement Date (the "Incremental Accrued Dividend Payment").

For Preference Shares accepted for purchase by the Offeror for settlement on the Retail-Only Settlement Date, there shall be no additional payment by the Offeror after the Retail-Only Settlement Date in respect of any accrued and unpaid dividends.

The amount (if any) included in the Purchase Price equal to accrued and unpaid dividends and, if applicable, the Incremental Accrued Dividend Payment are payments pursuant to the terms of the relevant Offer and are not, for the avoidance of doubt, payments pursuant to the terms of the relevant Preference Shares.

² Redeemable, at the option of the Offeror, on 15 September 2024 or any dividend payment date falling on each fifth anniversary of such date thereafter, at their liquidation preference amount.

THE OFFERS COMMENCE ON 10 NOVEMBER 2021 AND WILL EXPIRE AT 1.00 P.M. (LONDON TIME) ON 19 NOVEMBER 2021 FOR INSTITUTIONAL HOLDERS (AS DEFINED BELOW) ("THE GENERAL EXPIRATION DEADLINE") OR AT 1.00 P.M. (LONDON TIME) ON 9 DECEMBER 2021 FOR RETAIL HOLDERS (AS DEFINED BELOW) (THE "RETAIL-ONLY EXPIRATION DEADLINE" AND TOGETHER WITH THE GENERAL EXPIRATION DEADLINE, THE "EXPIRATION DEADLINES"), UNLESS AMENDED, EXTENDED, RE-OPENED, WITHDRAWN OR TERMINATED AT THE SOLE AND ABSOLUTE DISCRETION OF THE OFFEROR. TENDER INSTRUCTIONS, ONCE SUBMITTED, MAY, IN PRINCIPLE, NOT BE WITHDRAWN EXCEPT IN THE LIMITED CIRCUMSTANCES OUTLINED IN THIS TENDER OFFER MEMORANDUM UNDER THE HEADING "AMENDMENT AND TERMINATION" BELOW.

Participants holding 6.475% Preference Shares in the Lloyds Banking Group Shareholder Account, operated on the Offeror's behalf by Equiniti Financial Services Limited (the "LBGSA Nominee"), should refer to the separate communications provided by the LBGSA Nominee in respect of the Offer in respect of the 6.475%

Preference Shares, and should note the earlier deadline of 6 December 2021 for receipt by the LBGSA Nominee of LBGSA Forms of Instruction (as defined below).

Unless otherwise determined by the Offeror in its sole and absolute discretion, any Tender Instructions received by the Receiving Agent from Institutional Holders after the General Expiration Deadline will not be accepted. For technical reasons, however, any such Tender Instructions will only be released from escrow by the Receiving Agent following the Retail-Only Expiration Deadline.

Custodians and CREST will have deadlines for receiving instructions prior to the relevant Expiration Deadline and holders should contact any intermediary through which they hold their Preference Shares as soon as possible to ensure proper and timely delivery of instructions.

None of the Offeror, the Dealer Managers, the Receiving Agent or the Information Agent (or any of their respective directors, officers, employees, agents or affiliates) is providing Shareholders with any legal, business, tax or other advice in this Tender Offer Memorandum. Shareholders should consult with their own advisers as needed to assist them in making an investment decision and to advise them whether they are legally permitted to tender their Preference Shares for cash.

The Offeror accepts responsibility for the information contained in this Tender Offer Memorandum. To the best of the knowledge and belief of the Offeror, the information contained in this Tender Offer Memorandum is in accordance with the facts and does not omit anything likely to affect the import of such information.

Each Shareholder, including each participant who holds 6.475% Preference Shares through the LBGSA Nominee, is solely responsible for making its own independent appraisal of all matters as such Shareholder deems appropriate (including those relating to the relevant Offer and this Tender Offer Memorandum) and each Shareholder must make its own decision as to whether to tender any or all of its Preference Shares for purchase pursuant to the relevant Offer(s). Accordingly, each person receiving this Tender Offer Memorandum acknowledges that such person has not relied upon the Offeror, the Dealer Managers, the Receiving Agent, the LBGSA Nominee or the Information Agent (or any of their respective directors, officers, employees, agents or affiliates) in connection with its decision as to whether to participate in the relevant Offer(s). Each such person must make its own analysis and investigations regarding the relevant Offer(s), with particular reference to its own investment objectives and experience, and any other factors, which may be relevant to it. If such person is in any doubt about any aspect of the relevant Offer(s) and/or the action it should take, including in respect of any tax consequences it should consult its professional advisers.

None of the Dealer Managers, the Offeror, the Receiving Agent, the LBGSA Nominee, the Information Agent or any of their respective directors, officers, employees, agents or affiliates makes any recommendation whatsoever regarding this Tender Offer Memorandum or the Offers and none of the Offeror, the Dealer Managers, the Receiving Agent, the Information Agent or their respective directors, officers, employees, agents or affiliates makes any recommendation as to whether Shareholders should tender Preference Shares for purchase pursuant to the Offers. The Information Agent is the agent of the Offeror and owes no duty to any Shareholder.

None of the Dealer Managers, the Receiving Agent, the LBGSA Nominee or the Information Agent (or any of their respective directors, officers, employees, agents or affiliates) have authorised the whole or any part of this Tender Offer Memorandum and none of them makes any representation or warranty or accepts any responsibility for the accuracy or completeness of the information concerning the Offers or the Offeror contained in this Tender Offer Memorandum or for any failure by the Offeror or any third party to disclose events that may have occurred and may affect the significance or accuracy of the information in this Tender Offer Memorandum or accepts any responsibility for any acts or omissions by the Offeror or any third party in connection with the Offers.

No person has been authorised to give any information or to make any representation other than those contained in this Tender Offer Memorandum in connection with the Offers and, if given or made, such information or

representation must not be relied upon as having been authorised by any of the Offeror, the Dealer Managers, the Receiving Agent, the LBGSA Nominee or the Information Agent (or any of their respective directors, officers, employees, agents or affiliates). Neither the delivery of this Tender Offer Memorandum nor any purchase of Preference Shares pursuant to the Offers shall, under any circumstances, constitute a representation or create any implication that there has been no change in the affairs of the Offeror since the date of this Tender Offer Memorandum or that the information contained in this Tender Offer Memorandum is correct as of any time subsequent to the date of this Tender Offer Memorandum.

The Offeror is making the Offers only in those jurisdictions where it is legal to do so. See “*Offer and Distribution Restrictions*”. This document does not constitute a “prospectus” for the purposes of Regulation (EU) 2017/1129 (as amended), as it forms part of domestic law of the United Kingdom by virtue of the European Union (Withdrawal) Act 2018 (as amended, “EUWA”) (as amended, the “**UK Prospectus Regulation**”).

Preference Shares can only be tendered in the Offers in accordance with the procedures described in “*Procedures for Participating in the Offers*”.

Any Preference Shares purchased by the Offeror pursuant to the Offers will be cancelled and will not be re-issued or re-sold. Shareholders who do not participate in the Offers, or whose Preference Shares are not accepted for purchase by the Offeror, will continue to hold their Preference Shares subject to the terms and conditions of the relevant Preference Shares.

The failure of any person to receive a copy of this Tender Offer Memorandum or any notice issued by the Offeror in connection with the Offers shall not invalidate any aspect of the Offers. No acknowledgement of receipt of any Tender Instruction and/or other documents will be given by the Offeror, the Receiving Agent or the Information Agent and no acknowledgement of receipt of any LBGSA Forms of Instruction and/or other documents will be given by the LBGSA Nominee or any other party.

Shareholders must comply with all laws that apply to them in any place in which they possess this Tender Offer Memorandum. Shareholders must also obtain any consents or approvals that they need in order to tender their Preference Shares. None of the Offeror, the Dealer Managers, the Receiving Agent or the Information Agent (or any of their respective directors, officers, employees, agents or affiliates) is responsible for Shareholders’ compliance with these legal requirements. See “*Offer and Distribution Restrictions*.” The applicable provisions of the Financial Services and Markets Act 2000 must be complied with in respect of anything done in relation to the Offers in, from or otherwise involving the United Kingdom.

For the avoidance of doubt, each invitation by the Offeror to Shareholders contained in this Tender Offer Memorandum is an invitation to treat by the Offeror and any references to the Offers or invitations being made by the Offeror, under or in respect of the Offers shall be construed accordingly.

Capitalised terms used in this Tender Offer Memorandum have the meaning given in “*Definitions and Interpretation*” below and any other definitions of such terms are for ease of reference only and shall not affect their interpretation.

OVERVIEW OF OFFERS

Words and expressions defined in “Definitions and Interpretation” below or elsewhere in this Tender Offer Memorandum have the same meanings in this Overview.

Amount subject to the Offers

If, in respect of any Series, the Offeror decides to accept any Preference Shares of such Series validly tendered for purchase pursuant to the relevant Offer, the Offeror intends to accept all validly tendered Preference Shares of such Series for purchase in full with no *pro rata* scaling. The Offeror is not under any obligation to accept for purchase any Preference Shares tendered pursuant to any Offer. The acceptance for purchase by the Offeror of Preference Shares tendered pursuant to each Offer is at the sole and absolute discretion of the Offeror and tenders may be rejected by the Offeror for any reason.

Purchase Price and Accrued Dividends

The price payable in respect of the Preference Shares of each Series accepted for purchase (the “**Purchase Price**”) is set out in the table on the cover page of this Tender Offer Memorandum, and is expressed as a percentage of the liquidation preference of the relevant Series of Preference Shares.

If the General Settlement Date is not a dividend payment date in respect of the relevant Series of Preference Shares, the Purchase Price in respect of that Series of Preference Shares includes an amount equal to any accrued and unpaid dividends on the relevant Preference Shares from, and including, the dividend payment date for the relevant Preference Shares immediately preceding the General Settlement Date up to, but excluding, the General Settlement Date.

Accordingly, the Purchase Price for the 6.475% Preference Shares includes an amount equal to accrued and unpaid dividends on the relevant Preference Shares from, and including, the dividend payment date for the relevant Preference Shares immediately preceding the General Settlement Date up to, but excluding, the General Settlement Date.

The next dividend payment date pursuant to the terms of the 9.25% Preference Shares and the 9.75% Preference Shares is 30 November 2021 (for which purposes the Record Date for each Series was 5 November 2021). Holders of such Preference Shares as at the Record Date will be entitled to the dividend payment due on 30 November 2021 pursuant to the terms of each Series. Such payment will be in addition (but separate) to any payment of the Purchase Price and any Incremental Accrued Dividend Payment by the Offeror pursuant to the terms of the relevant Offer.

Accordingly, the amount equal to accrued and unpaid dividends which is included in the respective Purchase Price for each of the 9.25% Preference Shares and the 9.75% Preference Shares is zero.

For Preference Shares accepted for purchase by the Offeror for settlement on the General Settlement Date, there shall be no additional payment by the Offeror after the General Settlement Date in respect of any accrued and unpaid dividends.

In respect of any Preference Shares which are accepted for purchase from Retail Holders for which the respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline, the Offeror will also pay on the Retail-Only Settlement Date an amount equal to any accrued and unpaid dividends on the relevant Preference Shares from, and including, the General Settlement Date up to, but excluding, the Retail-Only Settlement Date (the “**Incremental Accrued Dividend Payment**”).

For Preference Shares accepted for purchase by the Offeror for settlement on the Retail-Only Settlement Date, there shall be no additional payment by the Offeror after the Retail-Only Settlement Date in respect of any accrued and unpaid dividends.

The amount (if any) included in the Purchase Price equal to accrued and unpaid dividends and the Incremental Accrued Dividend Payment are payments pursuant to the terms of the relevant Offer and are not, for the avoidance of doubt, payments pursuant to the terms of the relevant Preference Shares.

For illustration purposes and assuming that the General Settlement Date and Retail-Only Settlement Date are not subsequently amended from those set out in this Tender Offer Memorandum, the cash amount of the Purchase Consideration in respect of a single Preference Share of each Series, and the Incremental Accrued Dividend Payment (which is payable only in respect of Preference Shares which are accepted for purchase from Retail Holders for which the respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline) in respect of a single Preference Share of each Series is expected to be as follows:

Series	Purchase Consideration*	Incremental Accrued Dividend Payment*
6.475% Preference Shares	£1.12050	0.26610p
9.25% Preference Shares	£1.67250	0.38118p
9.75% Preference Shares	£1.74200	0.40179p

* Shown to 5 decimal places for illustrative purposes.

See further the section entitled “*Terms and Conditions of the Offers – Total Consideration*” below.

The Settlement Date for Institutional Holders and for Retail Holders whose respective validly submitted Tender Instructions are received by the Receiving Agent prior to the General Expiration Deadline is expected to be 30 November 2021.

The Settlement Date for Retail Holders whose respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline is expected to be 15 December 2021.

Preference Shares repurchased by the Offeror pursuant to the Offers will be immediately cancelled and will not be re-issued or re-sold. Preference Shares which have not been validly tendered and accepted for purchase pursuant to the Offers will remain outstanding after the relevant Settlement Date.

Amendment and Termination

The Offeror reserves the right, in its sole and absolute discretion, to extend, re-open, withdraw or terminate any of the Offers and to amend or waive any of the terms and conditions of any of the Offers at any time following the announcement of the Offers, as described herein under the heading “*Amendment and Termination*”. Details of any such extension, re-opening, withdrawal, termination, amendment or waiver will be notified to the Shareholders as soon as possible after such decision.

Participation in the Offers

A tender of Preference Shares for purchase may only be made by the submission of a valid Tender Instruction and (in the case of Preference Shares not held in CREST (as defined below)) delivery of the certificate or certificates for the relevant Preference Shares or (in the case of 6.475% Preference Shares held through the LBGSA Nominee) by delivery to the LBGSA Nominee of a valid LBGSA Form of Instruction, in each case in accordance with the detailed procedures specified in this Tender Offer Memorandum. Different procedures apply for participation in the Offers in respect of (a) Preference Shares held in CREST, (b) Preference Shares held in certificated form and (c) 6.475% Preference Shares held through the LBGSA Nominee.

Offer and Distribution Restrictions

The Offeror is making the Offers only in those jurisdictions where it is legal to do so. See “*Offer and Distribution Restrictions*”. This document does not constitute a “prospectus” for the purposes of the UK Prospectus Regulation.

Deadlines

THE OFFERS COMMENCE ON 10 NOVEMBER 2021 AND WILL EXPIRE AT 1.00 P.M. (LONDON TIME) ON 19 NOVEMBER 2021 FOR INSTITUTIONAL HOLDERS (“THE GENERAL EXPIRATION DEADLINE”) OR AT 1.00 P.M. (LONDON TIME) ON 9 DECEMBER 2021 FOR RETAIL HOLDERS (THE “RETAIL-ONLY EXPIRATION DEADLINE” AND, TOGETHER WITH THE GENERAL EXPIRATION DEADLINE, THE “EXPIRATION DEADLINES”), UNLESS AMENDED, EXTENDED, RE-OPENED, WITHDRAWN OR TERMINATED AT THE SOLE AND ABSOLUTE DISCRETION OF THE OFFEROR. TENDER INSTRUCTIONS, ONCE SUBMITTED, MAY NOT BE WITHDRAWN EXCEPT IN THE LIMITED CIRCUMSTANCES OUTLINED IN THIS TENDER OFFER MEMORANDUM UNDER THE HEADING “AMENDMENT AND TERMINATION” BELOW.

Participants holding 6.475% Preference Shares in the Lloyds Banking Group Shareholder Account, operated on the Offeror’s behalf by the LBGSA Nominee, should refer to the separate communications provided by the LBGSA Nominee in respect of the Offer in respect of the 6.475% Preference Shares, and should note the earlier deadline of 6 December 2021 for receipt by the LBGSA Nominee of LBGSA Forms of Instruction.

Unless otherwise determined by the Offeror in its sole and absolute discretion, any Tender Instructions received by the Receiving Agent from Institutional Holders after the General Expiration Deadline will not be accepted. For technical reasons, however, any such Tender Instructions will only be released from escrow by the Receiving Agent following the Retail-Only Expiration Deadline.

Custodians and CREST will have deadlines for receiving instructions prior to the relevant Expiration Deadline and Shareholders should contact any intermediary through which they hold their Preference Shares as soon as possible to ensure proper and timely delivery of instructions. Holders of Preference Shares not held in CREST are also advised to ensure that, where any documents are posted to the Receiving Agent, they allow sufficient time to ensure receipt of such documents by the Receiving Agent by the relevant deadline. All documentation sent to or from a Shareholder is sent at such Shareholder’s own risk.

An “**Institutional Holder**” means a Shareholder (a) who holds £100,000 or more in aggregate liquidation preference of the Preference Shares of the relevant Series (b) whose ordinary activities involve that person buying, selling, subscribing for or underwriting instruments such as the Preference Shares for the purposes of

a business carried on by that person and/or (c) who it is reasonable to expect will carry on the activities described in (b) above for the purposes of a business carried on by that person.

A “**Retail Holder**” means a Shareholder (a) who holds less than £100,000 in aggregate liquidation preference of the Preference Shares of the relevant Series (b) whose ordinary activities do not involve that person buying, selling, subscribing for or underwriting instruments such as the Preference Shares for the purposes of a business carried on by that person and (c) who it is reasonable to expect will not carry on the activities described in (b) above for the purposes of a business carried on by that person.

including, the General Settlement Date to, but excluding, the Retail-Only Settlement Date.

The Incremental Accrued Dividend Payment is a payment pursuant to the terms of the relevant Offer and is not, for the avoidance of doubt, a payment pursuant to the terms of the relevant Preference Shares.

For the avoidance of doubt, the Incremental Accrued Dividend Payment will be calculated in accordance with the terms of the relevant Preference Shares for the calculation of accrued dividends in respect of periods other than complete semi-annual dividend periods, by using the Actual/365 day-count method in respect of the 6.475% Preference Shares and by using the Actual/Actual (ICMA) day-count method in respect of the 9.25% Preference Shares and the 9.75% Preference Shares.

Assuming that the General Settlement Date and Retail-Only Settlement Date are not amended, the Incremental Accrued Dividend Payment in respect of Preference Shares of each Series is expected to be as follows:

Series	Incremental Dividend Payment*	Accrued
6.475% Preference Shares	0.26610%	
9.25% Preference Shares	0.38118%	
9.75% Preference Shares	0.40179%	

* Rounded to 5 decimal places for illustrative purposes.

For illustration purposes, and assuming that the General Settlement Date and Retail-Only Settlement Date are not subsequently amended from those set out in this Tender Offer Memorandum, the cash amount of the Incremental Accrued Dividend Payment in respect of a single Preference Share of each Series is expected to be as follows:

Series	Incremental Dividend Payment*	Accrued
6.475% Preference Shares	0.26610p	
9.25% Preference Shares	0.38118p	
9.75% Preference Shares	0.40179p	

* Shown to 5 decimal places for illustrative purposes.

The invitation in respect of each Series of Preference Shares constitutes a separate Offer.
Offer and Distribution Restrictions	The offer restrictions referred to in “ <i>Offer and Distribution Restrictions</i> ”.

Purchase Consideration

In respect of any Preference Shares, an amount in cash (rounded to the nearest £0.01 with half a penny rounded upwards) calculated by applying the relevant Purchase Price to the aggregate liquidation preference of such Preference Shares accepted for purchase.

For illustration purposes and assuming that the General Settlement Date and Retail-Only Settlement Date are not subsequently amended from those set out in this Tender Offer Memorandum, the cash amount of the Purchase Consideration in respect of a single Preference Share of each Series is expected to be as follows:

Series	Purchase Consideration*
6.475% Preference Shares	£1.12050
9.25% Preference Shares	£1.67250
9.75% Preference Shares	£1.74200

* Shown to 5 decimal places for illustrative purposes.

See further the section entitled “*Terms and Conditions of the Offers – Total Consideration*” below.

Purchase Price

In respect of each Series, the price payable by the Offeror for Preference Shares of that Series validly tendered in the relevant Offer and accepted for purchase by the Offeror, as set out in the table on the cover page of this Tender Offer Memorandum.

If the General Settlement Date is not a dividend payment date in respect of the relevant Series of Preference Shares, the Purchase Price in respect of that Series of Preference Shares includes an amount equal to accrued and unpaid dividends on the relevant Preference Shares from, and including, the dividend payment date for the relevant Preference Shares immediately preceding the General Settlement Date up to, but excluding, the General Settlement Date. Accordingly, the Purchase Price for the 6.475% Preference Shares includes an amount equal to accrued and unpaid dividends on the relevant Preference Shares from, and including, the dividend payment date for the relevant Preference Shares immediately preceding the General Settlement Date up to, but excluding, the General Settlement Date.

The next dividend payment date pursuant to the terms of the 9.25% Preference Shares and the 9.75% Preference Shares is 30 November 2021 (for which purposes the Record Date for each

Series was 5 November 2021). Holders of such Preference Shares as at the Record Date will be entitled to the dividend payment due on 30 November 2021 pursuant to the terms of each Series. Such payment will be in addition (but separate) to any payment of the Purchase Price and any Incremental Accrued Dividend Payment by the Offeror pursuant to the terms of the relevant Offer. Accordingly, the amount equal to accrued and unpaid dividends which is included in the respective Purchase Price for each of the 9.25% Preference Shares and the 9.75% Preference Shares is zero.

The Incremental Accrued Dividend Payment is payable in respect of validly submitted Tender Instructions received by the Receiving Agent from Retail Holders after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline whose Preference Shares are accepted for purchase by the Offeror.

The amount (if any) included in the Purchase Price equal to accrued and unpaid dividends and the Incremental Accrued Dividend Payment are payments pursuant to the terms of the relevant Offer and are not, for the avoidance of doubt, payments pursuant to the terms of the relevant Preference Shares.

Retail-Only Expiration Deadline. Payment of Purchase Consideration and Incremental Accrued Dividend Payment to Retail Holders in respect of the Offers.

As detailed in the section “*Terms and Conditions of the Offers – Payment*” below, pursuant to the relevant Offer, payments in respect of Preference Shares held in certificated form may be made by cheque, and such cheque is expected to be issued 6 business days after the Retail-Only Settlement Date. Furthermore, pursuant to the relevant Offer, all payments of the Incremental Accrued Dividend Payment will be made outside of the CREST system and are therefore expected to be issued 6 business days after the Retail-Only Settlement Date.

* Retail Holders may choose to participate in the Offers prior to either the General Expiration Deadline or the Retail-Only Expiration Deadline.

Unless stated otherwise, announcements in connection with the Offers will be made via RNS (<http://www.londonstockexchange.com/exchange/news/market-news/market-newshome.html>). Such announcements may also be made by (i) the issue of a press release to a Notifying News Service and (ii) the posting of such notices to the registered address of holders of the Preference Shares. Copies of all such announcements, press releases and notices can also be obtained from the Information Agent or the Receiving Agent, the contact details for whom are on the last page of this Tender Offer Memorandum. Significant delays may be experienced where notices are sent by post and Shareholders are urged to contact the Information Agent or the Receiving Agent, as applicable, for the relevant announcements relating to the Offers.

Unless otherwise determined by the Offeror in its sole and absolute discretion, any Tender Instructions received by the Receiving Agent from Institutional Holders after the General Expiration Deadline will not be accepted. For technical reasons, however, any such Tender Instructions will only be released from escrow by the Receiving Agent following the Retail-Only Expiration Deadline.

Shareholders are advised to check with any bank, securities broker or other intermediary through which they hold Preference Shares whether such intermediary would require to receive instructions from a Shareholder in order for that Shareholder to be able to participate in, or (in the limited circumstances in which revocation is permitted) revoke their instruction to participate in, the Offers before the deadlines specified above. The deadlines set by any such intermediary and CREST for the submission of Tender Instructions will be earlier than the relevant deadlines specified above. Shareholders are also advised to ensure that, where any documents are posted to the Receiving Agent, they allow sufficient time to ensure receipt of such documents by the Receiving Agent by the relevant deadline. All documentation sent to or from a Shareholder is sent at such Shareholder’s own risk.

RISK FACTORS AND OTHER CONSIDERATIONS

Before making a decision with respect to the Offers, Shareholders should carefully consider, in addition to the other information contained in this Tender Offer Memorandum, the following:

Uncertainty as to the Trading Market for Preference Shares not Purchased

Preference Shares purchased by the Offeror pursuant to the Offers will be cancelled and will not be re-issued or re-sold. Although the Preference Shares that are not validly tendered or not accepted for purchase by Shareholders will continue to be admitted to the Official List of the Financial Conduct Authority and to trading on the Main Market of the London Stock Exchange plc, to the extent tenders of Preference Shares for purchase in an Offer are accepted by the Offeror and such Offer is completed, the trading market for the relevant Preference Shares that remain outstanding following the completion of such Offer may be significantly more limited. If a significant portion of the outstanding Preference Shares of any given Series are purchased pursuant to the Offers, it would have a negative impact on the liquidity of the Preference Shares that remain outstanding following completion of the relevant Offer.

Any such remaining Preference Shares may command a lower market price than a comparable issue of securities with greater market liquidity. A reduced market value and liquidity may also make the trading price of such remaining Preference Shares more volatile. Accordingly, the market price for such Preference Shares that remain outstanding after the completion of such Offers may be adversely affected as a result of such Offers. None of the Offeror, the Dealer Managers, the Receiving Agent or the Information Agent has any duty to make a market in any such remaining Preference Shares. It will not be possible to ascertain the aggregate liquidation preference of the Preference Shares to be accepted for purchase prior to the Retail-Only Expiration Deadline.

Restrictions on Transfers of Preference Shares

When considering whether to tender Preference Shares in an Offer, Shareholders should take into account that restrictions on the transfer of the relevant Preference Shares will apply from the time of such tender.

In the case of Preference Shares held in CREST, the relevant procedures for submission of a valid Tender Instruction comprise the submission of a TTE Instruction, after which holders will not be able to access or transfer the relevant Preference Shares until the earlier of (i) the time of settlement on the relevant Settlement Date and (ii) the date of any termination of the relevant Offer (including where such Preference Shares are not accepted for purchase) or on which the Tender Instruction is revoked, in the limited circumstances in which such revocation is permitted (see “*Amendment and Termination – Revocation Rights*”).

In the case of Preference Shares that are not held in CREST, these procedures include the delivery to the Receiving Agent of the certificate or certificates for the Preference Shares which are the subject of the relevant Tender Instruction together with such Tender Instruction, and the making of certain agreements and acknowledgements, and the giving of certain representations, warranties and undertakings, the effect of which is that the relevant holder of such Preference Shares will not be able to subsequently transfer the Preference Shares which are the subject of such Tender Instruction until the earlier of (i) the time of settlement on the relevant Settlement Date and (ii) the date of any termination of the relevant Offer (including where such Preference Shares are not accepted for purchase) or on which the Tender Instruction is revoked, in the limited circumstances in which such revocation is permitted (see “*Amendment and Termination – Revocation Rights*”).

No Obligation to Accept any Preference Shares for Purchase

The Offeror is not under any obligation to accept, and shall have no liability to any person for non-acceptance of, any Preference Shares tendered for purchase pursuant to an Offer. Tenders of Preference Shares may be rejected in the sole and absolute discretion of the Offeror for any reason and the Offeror is not under any obligation to Shareholders to furnish any reason or justification for refusing to accept for purchase a tender of

Preference Shares. For example, tenders of Preference Shares may be rejected if the relevant Offer is withdrawn or terminated, if such Offer does not comply with the relevant requirements of a particular jurisdiction or for any other reason, in all cases at the sole discretion of the Offeror.

Payment of Incremental Accrued Dividend Payment to Retail Holders

In respect of any Preference Shares which are accepted for purchase from Retail Holders for which the respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline, the Offeror will pay on the Retail-Only Settlement Date an amount equal to any accrued and unpaid dividends on the relevant Preference Shares from, and including, the General Settlement Date up to, but excluding, the Retail-Only Settlement Date (being the Incremental Accrued Dividend Payment). The Incremental Accrued Dividend Payment is in addition to payment by the Offeror of the Purchase Price pursuant to the terms of the relevant Offer.

Retail Holders who choose to submit their respective Tender Instructions prior to the General Expiration Deadline, in order to be eligible to receive payment on the General Settlement Date in respect of Preference Shares which are accepted for purchase by the Offeror for settlement on the General Settlement Date, will not be entitled to the payment of any Incremental Accrued Dividend Payment.

Payments of Purchase Price and/or Incremental Accrued Dividend Payment in respect of Preference Shares accepted for purchase pursuant to the Offers

Under no circumstances will any additional amount, whether in respect of interest or dividends or otherwise, be payable in respect of any period after the relevant Settlement Date.

Provided the Offeror makes or has made on its behalf full payment of the Purchase Consideration and, if applicable, the Incremental Accrued Dividend Payment in respect of such Preference Shares accepted for purchase pursuant to the Offers to the Receiving Agent on or before the relevant Settlement Date (subject to any postponement of the relevant Settlement Date as described above), under no circumstances will any additional amount of or relating to interest or dividends be payable because of any delay in the transmission of funds from the Receiving Agent or any other intermediary with respect to such Preference Shares or because of any delay in receipt by any Shareholder of the relevant funds or any cheque relating thereto.

Please see the section entitled "*Terms and Conditions of the Offer – Payment*" on page 30 for further details on payments in respect of the Offers.

No assurance the Offers will be completed

Until the Offeror announces it has accepted tenders of Preference Shares for purchase in the Offers, no assurance can be given that any of the Offers will be completed. The consummation of the Offers is subject to the satisfaction or waiver of the conditions of the Offers. See "*Terms and Conditions of the Offers – General Conditions of the Offers*". In addition, subject to applicable law and as provided in this Tender Offer Memorandum, the Offeror may, in its sole and absolute discretion, extend, re-open, amend and/or terminate any Offer at any time before such announcement and may, in its sole and absolute discretion, waive any of the conditions to any Offer either before or after such announcement.

Responsibility for Complying with the Procedures of the Offers

Shareholders are responsible for complying with all of the procedures for submitting a Tender Instruction (including (in the case of Preference Shares held in CREST) submission of a TTE Instruction or (in the case of Preference Shares not held in CREST) delivery of the certificate or certificates for the relevant Preference Shares). None of the Offeror, the Dealer Managers, the Receiving Agent or the Information Agent assumes any responsibility for informing Shareholders of irregularities with respect to any Tender Instruction, TTE

Instruction, delivery of any certificate(s) or otherwise in connection with such Shareholder's participation in the Offers or for notifying any Shareholder of any failure to follow the proper procedures.

If Preference Shares are held through a custodian, broker, dealer, commercial bank, trust company or other nominee or intermediary, such entity may require the relevant Shareholder to take action with respect to the relevant Offer a number of days before the relevant Expiration Deadline in order for such entity to tender for purchase the relevant Preference Shares on the relevant Shareholder's behalf on or prior to the relevant Expiration Deadline.

Responsibility to Consult Advisers

Shareholders should consult their own tax, accounting, financial, legal and/or other advisers regarding the consequences (tax, accounting or otherwise) of participating in an Offer.

None of the Dealer Managers, the Information Agent, the Receiving Agent, the Offeror, or any director, officer, employee, agent or affiliate of any such person, is acting for any Shareholder, or will be responsible to any Shareholder for providing any protections which would be afforded to its clients or for providing advice in relation to the Offers, and accordingly none of the Dealer Managers, the Information Agent, the Offeror, or any director, officer, employee, agent or affiliate of, any such person makes any recommendation whether Shareholders should tender Preference Shares in the Offers.

Tender Instructions Irrevocable

Tender Instructions will be irrevocable except in the limited circumstances described in "*Amendment and Termination – Revocation Rights*".

Completion, Termination and Amendment

Until the Offeror announces whether it has decided to accept valid tenders of Preference Shares pursuant to any of the Offers, no assurance can be given that any Offer will be completed. In addition, subject to applicable law and as provided in this Tender Offer Memorandum, the Offeror may, in its sole and absolute discretion, extend, re-open, withdraw or terminate the Offers and amend or waive any of the terms and conditions of the Offers at any time before such announcement and may, in its sole and absolute discretion, waive any of the conditions to any Offer either before or after such announcement.

Compliance with Offer and Distribution Restrictions

Shareholders are referred to the offer and distribution restrictions in "*Offer and Distribution Restrictions*" and the acknowledgements, representations, warranties and undertakings in "*Procedures for Participating in the Offers*", which Shareholders will be deemed to make on tendering Preference Shares in an Offer. Non-compliance with these could result in, among other things, the unwinding of trades and/or heavy penalties.

Other Purchases or Redemption of Preference Shares

Whether or not the purchase of any Preference Shares pursuant to the Offers is completed, the Offeror, the Dealer Managers, the Receiving Agent and the Information Agent and/or any of their respective affiliates may, to the extent permitted by applicable law, acquire (from time to time both during and after the Offers) Preference Shares other than pursuant to the Offers, including through open market purchases, privately negotiated transactions, tender offers, exchange offers or otherwise. Such purchases may be on such terms and at such prices as the Offeror, the Dealer Managers, the Receiving Agent and the Information Agent or the relevant affiliate may determine, which may be more or less than the prices to be paid pursuant to the Offers and could be for cash or other consideration or otherwise on terms more or less favourable than those contemplated by the Offers. In the case of the 6.475% Preference Shares, the Offeror may also exercise any applicable redemption rights under the terms and conditions of the Preference Shares. Such right can only be exercised at

the option of the Offeror, on 15 September 2024 or any dividend payment date falling on each fifth anniversary of such date thereafter.

Tenders of Preference Shares by Sanctions Restricted Persons

A Shareholder who is, or believed by the Offeror to be, a Sanctions Restricted Person (as defined herein) may not participate in the Offers. No steps taken by a Sanctions Restricted Person to tender any or all of its Preference Shares for purchase pursuant to this Tender Offer Memorandum will be accepted by the Offeror and such Sanctions Restricted Person will not be eligible to receive the relevant Purchase Consideration or, if applicable, any Incremental Accrued Dividend Payment in any circumstances. The Offeror reserves the absolute right to reject any Tender Instruction when the Offeror in its sole and absolute discretion is of the view that such Tender Instruction has been submitted by or on behalf of a Sanctions Restricted Person.

The restrictions described in this paragraph shall not apply if and to the extent that they are or would be unenforceable by reason of breach of (i) any provision of Council Regulation (EC) No 2271/1996 of 22 November 1996 (or any law or regulation implementing such Regulation in any member state of the European Union), (ii) Council Regulation (EC) No. 2271/1996 as it forms part of domestic law of the United Kingdom by virtue of the “EUWA” or (iii) any similar blocking or anti-boycott law in the European Union or the United Kingdom.

Non-tendering Shareholders

Shareholders who do not participate in the Offers, or whose Preference Shares are not accepted for purchase by the Offeror pursuant to the Offers, will continue to hold their Preference Shares subject to the terms and conditions of the relevant Preference Shares.

TERMS AND CONDITIONS OF THE OFFERS

Introduction

On the terms and subject to the conditions contained in this Tender Offer Memorandum, the Offeror invites Shareholders (subject to the Offer and Distribution Restrictions contained herein) to tender their Preference Shares for purchase by the Offeror at the relevant Purchase Price together with, in respect of Preference Shares accepted for purchase by the Offeror from Retail Holders, whose respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline only, an Incremental Accrued Dividend Payment.

The Offeror reserves the right, in its sole and absolute discretion, not to accept any Tender Instructions, not to purchase Preference Shares or to extend, re-open, withdraw or terminate the Offers and to amend or waive any of the terms and conditions of the Offers in any manner, subject to applicable laws and regulations.

Preference Shares repurchased by the Offeror pursuant to the Offers will be cancelled and will not be re-issued or resold.

Background and Rationale for the Offers

From 1 January 2022, the Offeror will update the regulatory classification of its preference shares to classify any remaining outstanding preference shares as ineligible for regulatory capital purposes. The legal ranking of the Preference Shares will remain unchanged.

This update to the future regulatory classification follows the ‘Dear CFO’ letter sent by the Prudential Regulation Authority to all major UK deposit takers dated 16 November 2020 requesting all firms to take steps to remediate the prudential treatment of legacy instruments. The Group’s updated capital instruments report as at 31 December 2021 will be published in February 2022 together with the Group’s full year results for 2021. The Group reserves the right to review such classification in the future, to the extent permitted by applicable law and regulation.

The Offeror is also undertaking the Offers to provide Shareholders with an opportunity to liquidate their holding at the relevant Purchase Price. The voluntary Offers are part of the Group’s continuous review and management of its outstanding capital base, maintaining a prudent approach to the management of the Group’s capital position. Preference Shares which are not validly tendered and accepted for purchase pursuant to the Offers will remain outstanding after the completion of the Offers and shall remain subject to their existing terms and conditions.

The Offeror has launched, contemporaneously with the launch of the Offers, a liability management exercise in respect of two series of U.S. dollar preference shares issued by the Offeror and represented by American Depositary Shares.

Purchase Price and Accrued Dividends

The price payable in respect of the Preference Shares of each Series accepted for purchase (the “**Purchase Price**”) is set out in the table on the cover page of this Tender Offer Memorandum, and is expressed as a percentage of the liquidation preference of the relevant Series of Preference Shares. If the General Settlement Date is not a dividend payment date in respect of the relevant Series of Preference Shares, the Purchase Price in respect of that Series of Preference Shares includes an amount equal to any accrued and unpaid dividends on

the relevant Preference Shares from, and including, the dividend payment date for the relevant Preference Shares immediately preceding General Settlement Date up to, but excluding, the General Settlement Date. Accordingly, the Purchase Price for the 6.475% Preference Shares includes an amount equal to accrued and unpaid dividends on the relevant Preference Shares from, and including, the dividend payment date for the relevant Preference Shares immediately preceding the General Settlement Date up to, but excluding, the General Settlement Date.

The next dividend payment date pursuant to the terms of the 9.25% Preference Shares and the 9.75% Preference Shares is 30 November 2021 (for which purposes the Record Date for each Series was 5 November 2021). Holders of such Preference Shares as at the Record Date will be entitled to the dividend payment due on 30 November 2021 pursuant to the terms of each Series. Such payment will be in addition (but separate) to any payment of the Purchase Price and any Incremental Accrued Dividend Payment by the Offeror pursuant to the terms of the relevant Offer. Accordingly, the amount equal to accrued and unpaid dividends which is included in the respective Purchase Price for each of the 9.25% Preference Shares and the 9.75% Preference Shares is zero.

For Preference Shares accepted for purchase by the Offeror for settlement on the General Settlement Date, there shall be no additional payment by the Offeror after the General Settlement Date in respect of any accrued and unpaid dividends.

In respect of any Preference Shares which are accepted for purchase from Retail Holders whose respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline, the Offeror will also pay on the Retail-Only Settlement Date an amount equal to any accrued and unpaid dividends on the relevant Preference Shares from, and including, the General Settlement Date up to, but excluding, the Retail-Only Settlement Date (being the Incremental Accrued Dividend Payment).

For Preference Shares accepted for purchase by the Offeror for settlement on the Retail-Only Settlement Date, there shall be no additional payment by the Offeror after the Retail-Only Settlement Date in respect of any accrued and unpaid dividends.

The amount included (if any) in the Purchase Price equal to accrued and unpaid dividends and the Incremental Accrued Dividend Payment are payments pursuant to the terms of the relevant Offer and are not, for the avoidance of doubt, payment pursuant to the terms of the relevant Preference Shares.

For illustration purposes and assuming that the General Settlement Date and Retail-Only Settlement Date are not subsequently amended from those set out in this Tender Offer Memorandum, the cash amount of the Purchase Consideration in respect of a single Preference Share of each Series, and the Incremental Accrued Dividend Payment (which is payable only in respect of Preference Shares which are accepted for purchase from Retail Holders for which the respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline) in respect of a single Preference Share of each Series is expected to be as follows:

Series	Purchase Consideration*	Incremental Accrued Dividend Payment*
6.475% Preference Shares	£1.12050	0.26610p
9.25% Preference Shares	£1.67250	0.38118p
9.75% Preference Shares	£1.74200	0.40179p

* Shown to 5 decimal places for illustrative purposes.

See further the paragraph entitled “*Total Consideration*” below.

The Settlement Date for Institutional Holders and for Retail Holders whose respective validly submitted Tender Instructions are received by the Receiving Agent prior to the General Expiration Deadline is expected to be 30 November 2021.

The Settlement Date for Retail Holders whose respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline is expected to be 15 December 2021.

Preference Shares repurchased by the Offeror pursuant to the Offers will be immediately cancelled. Preference Shares which have not been validly tendered and accepted for purchase pursuant to the Offers will remain outstanding after the relevant Settlement Date.

Tender Offer Period

The Offers commence on 10 November 2021 and will end at 1.00 p.m. (London time) on 19 November 2021 for Institutional Holders (the “**General Expiration Deadline**”) or at 1.00 p.m. (London time) on 9 December 2021 for Retail Holders (the “**Retail-Only Expiration Deadline**”) and together with the General Expiration Deadline, the “**Expiration Deadlines**”) unless amended, extended, re-opened, withdrawn or terminated at the sole and absolute discretion of the Offeror, in which case notification to that effect will be given by or on behalf of the Offeror by way of announcements on the relevant Notifying News Service(s) and via RNS.

Participants holding 6.475% Preference Shares in the Lloyds Banking Group Shareholder Account, operated on the Offeror’s behalf by the LBGSA Nominee, should refer to the separate communications provided by the LBGSA Nominee in respect of the Offer, and should note the earlier deadline of 6 December 2021 for receipt by the LBGSA Nominee of LBGSA Forms of Instruction (as defined below).

Unless otherwise determined by the Offeror in its sole and absolute discretion, any Tender Instructions received by the Receiving Agent from Institutional Holders after the General Expiration Deadline will not be accepted. For technical reasons, however, any such Tender Instructions will only be released from escrow by the Receiving Agent following the Retail-Only Expiration Deadline.

Total Consideration

The total consideration payable to each Shareholder in respect of Preference Shares validly submitted for tender and accepted for purchase by the Offeror will be an amount in cash equal to (i) the Purchase Price for the relevant Preference Shares multiplied by the aggregate liquidation preference of Preference Shares validly tendered and delivered by such Shareholder and accepted by the Offeror for purchase (rounded to the nearest £0.01, with £0.005 being rounded upwards) and (ii) in the case of Preference Shares accepted for purchase from Retail Holders whose respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline only, the Incremental Accrued Dividend Payment in respect of such Preference Shares.

Results

The results of the Offers as of the General Expiration Deadline are expected to be announced on 22 November 2021 and the final results of the Offers as of the Retail-Only Expiration Deadline are expected to be announced

on 10 December 2021. The Offeror will announce the aggregate liquidation preference of Preference Shares of each Series validly tendered and accepted for purchase. Such information will be notified to Shareholders by way of announcements on the relevant Notifying News Service(s) and via RNS and shall, absent manifest error, be final and binding on the Offeror and the Shareholders.

Once the Offeror has announced the final results in accordance with applicable law, the Offeror's acceptance of Tender Instructions in accordance with the terms of the Offers will be irrevocable. Tender Instructions which are so accepted will constitute binding obligations of the submitting Shareholders and the Offeror to settle the Offers.

Payment

If the Preference Shares validly tendered pursuant to an Offer are accepted for purchase by the Offeror, the Purchase Consideration and, in the case of Preference Shares accepted for purchase from Retail Holders whose respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline only, the Incremental Accrued Dividend Payment in respect of such Preference Shares accepted for purchase pursuant to such Offer will in each case be paid on the relevant Settlement Date (subject to the right of the Offeror to delay the acceptance of Tender Instructions as set out in this Tender Offer Memorandum) in immediately available funds to the Receiving Agent for onward payment to the relevant Shareholders by the Receiving Agent on the relevant Settlement Date in accordance with the usual procedures of the Receiving Agent for payments to the relevant Shareholder in respect of the relevant Preference Shares.

Payments in respect of the relevant Preference Shares may be made by cheque, through the CREST system and by other electronic means and, as such, the relevant Shareholders may experience a delay in receiving payments. Payments in respect of Preference Shares held in certificated form may be made by cheque, and such cheque is expected to be issued 6 business days after the Retail-Only Settlement Date.

In the case of Preference Shares accepted for purchase by the Offeror for settlement on the General Settlement Date, such cheque is expected to be issued on the General Settlement Date.

In the case of Preference Shares accepted for purchase by the Offeror for settlement on the Retail-Only Settlement Date, such cheque is expected to be issued 6 business days after the Retail-Only Settlement Date. Payments in respect of Preference Shares held in CREST will be made by means of an assured payment obligation through the CREST system, may also be made by electronic means such as BACS, and may be received in Shareholders' accounts up to 2 business days after the relevant Settlement Date. Where there is no bank mandate in place in relation to Preference Shares held in CREST, payment may be made by cheque. All payments of the Incremental Accrued Dividend Payment will be made outside of the CREST system and are therefore expected to be issued 6 business days after the Retail-Only Settlement Date.

Under no circumstances will any additional amount, whether in respect of interest or dividends or otherwise, be payable in respect of any period after the relevant Settlement Date.

Provided the Offeror makes or has made on its behalf full payment of the Purchase Consideration and, if applicable, the Incremental Accrued Dividend Payment in respect of such Preference Shares accepted for purchase pursuant to the Offers to the Receiving Agent on or before the relevant Settlement Date (subject to any postponement of the relevant Settlement Date as described above), under no circumstances will any additional amount of or relating to interest or dividends be payable because of any delay in the transmission of funds from the Receiving Agent or any other intermediary with respect to such Preference Shares or because of any delay in receipt by any Shareholder of the relevant funds or any cheque relating thereto.

Extension, Termination and Amendment

Subject to applicable law, the Offeror reserves the right to extend, re-open, withdraw or terminate the Offers and to amend or waive any of the terms and conditions of the Offers, at any time after the announcement of the Offers as described below under “*Amendment and Termination*”, including with respect to any Tender Instructions already submitted as of the time of any such extension, re-opening, withdrawal, termination, amendment or waiver.

If the Offeror withdraws or terminates any Offer, any relevant Preference Shares tendered for purchase pursuant to such Offer will not be purchased.

The Offeror also reserves the right at any time or from time to time during or following completion or cancellation of the Offers, to purchase or exchange or offer to purchase or exchange Preference Shares or to issue an invitation to submit offers to sell Preference Shares (including, without limitation, those tendered pursuant to the Offers but not accepted for purchase), in each case on terms that may be more or less favourable than those contemplated by the Offers.

The making of such new offer and the issuance of any new invitation will depend on various factors, including interest rates prevailing at such time and the aggregate nominal amount of Preference Shares purchased pursuant to the Offers.

The Offeror reserves the right, subject to applicable law, to amend the terms of the Offers without giving Holders additional withdrawal rights. See “*Withdrawal Rights*” and “*Amendment and Termination*” hereunder.

Preference Shares that are not successfully tendered for purchase pursuant to the Offers will remain outstanding and will remain subject to the terms and conditions of such Preference Shares.

Costs and Expenses

Any charges, costs and expenses charged to the Shareholders by any intermediary shall be borne by such Shareholder. No brokerage costs are being levied by the Dealer Managers, the Receiving Agent or the Information Agent. Shareholders should check whether their brokers or custodians will assess fees.

General Conditions of the Offers

The acceptance by the Offeror of Preference Shares for purchase will be subject to there not having been threatened, instituted or pending any action or proceeding before any court or governmental, regulatory or administrative body that: (1) makes or seeks to make illegal the payment for, or acceptance of payment for, any of the Preference Shares pursuant to the terms and conditions contained in this Tender Offer Memorandum; (2) would or might result in a delay in, or restrict, the ability of the Offeror to purchase any of the Preference Shares; or (3) imposes or seeks to impose limitations on the ability of the Offeror to purchase the Preference Shares.

The Offeror expressly reserves the right, in its sole and absolute discretion, to refuse or delay acceptance of Preference Shares for purchase pursuant to an Offer in order to comply with applicable laws. In all cases, the purchase for cash of Preference Shares pursuant to an Offer will only be made after the submission of a valid Tender Instruction in accordance with the procedures described in “*Procedures for Participating in the Offers*” (including (in the case of Preference Shares held in CREST) submission of a TTE Instruction or (in the case of Preference Shares not held in CREST) delivery of the certificate or certificates for the relevant Preference Shares). These procedures include restrictions on transfers of the Preference Shares as described in “*Risk Factors and Other Considerations – Restrictions on Transfer of Preference Shares*”.

The Offeror may reject tenders of Preference Shares for any reason or if it considers in its sole and absolute discretion that tenders have not been validly tendered in the relevant Offer and the Offeror is under no obligation to any relevant Shareholder to furnish any reason or justification for refusing to accept such tenders. **For example, tenders of Preference Shares may be rejected and not accepted and may be treated as not having been validly tendered in the relevant Offer if any such tender does not comply with the requirements of a particular jurisdiction.**

The Offeror will at any time have the sole and absolute discretion to accept for purchase any Preference Shares tendered in an Offer, the tender of which would otherwise be invalid or, in the sole opinion of the Offeror, may otherwise be invalid.

Shareholders are advised that the Offeror may, in its sole and absolute discretion, accept tenders of Preference Shares for purchase pursuant to an Offer on more than one date if such Offer is extended or re-opened (subject to applicable laws) as described herein under the heading "*Terms and Conditions of the Offers - Extension, Termination and Amendment*".

The failure of any eligible Shareholder to receive, or any delay in any person's receipt of, a copy of this Tender Offer Memorandum or any announcement made or notice issued by the Offeror in connection with the Offers shall not invalidate any aspect of the Offers. No acknowledgement of receipt of any Tender Instruction and/or other documents will be given by the Offeror, the Receiving Agent or the Information Agent and no acknowledgement of receipt of any LBGSA Forms of Instruction and/or other documents will be given by the LBGSA Nominee or any other party.

Subject only as aforesaid, the acceptance of Preference Shares validly tendered in accordance with the terms of the Offers by the Offeror will be irrevocable and once accepted the Offers will constitute binding obligations of the submitting Holders and the Offeror to settle the relevant Offer(s).

The above terms and conditions are for the sole benefit of the Offeror and may be waived by the Offeror, in whole or in part, at any time and from time to time, in its sole and absolute discretion. Any determination by the Offeror concerning the terms and conditions set forth above (including whether or not any condition has been satisfied or waived) will be final and binding upon all parties.

Announcements

Unless stated otherwise, announcements in connection with the Offers will be made by publication through RNS (<http://www.londonstockexchange.com/exchange/news/market-news/market-newshome.html>). Announcements may also be (i) made by the issue of a press release to a Notifying News Service and (ii) made by the posting of such notices to the registered addresses of holders of Preference Shares. Copies of all announcements, notices and press releases can also be obtained from the Information Agent or the Receiving Agent, the contact details for whom are on the last page of this Tender Offer Memorandum. In addition, Institutional Holders may contact the Dealer Managers for information using the contact details on the last page of this Tender Offer Memorandum.

Governing Law

This Tender Offer Memorandum, the Offers, each Tender Instruction, any purchase of Preference Shares pursuant to the Offers and any non-contractual obligations arising out of or in connection with the relevant Offer shall be governed by English law. By submitting a Tender Instruction, the relevant Shareholder will irrevocably and unconditionally agree for the benefit of the Offeror, the Dealer Managers, the Receiving Agent

and the Information Agent that the courts of England are to have exclusive jurisdiction to settle any disputes that may arise out of or in connection with the relevant Offer, or such Tender Instruction and that, accordingly, any suit, action or proceedings arising out of or in connection with the foregoing may be brought in such courts.

PROCEDURES FOR PARTICIPATING IN THE OFFERS

Shareholders that need assistance with respect to the procedures for participating in the Offers should contact the Information Agent or the Receiving Agent, the contact details for whom are on the last page of this Tender Offer Memorandum.

Tender Instructions

- (a) where such Preference Shares are held in CREST, not later than the relevant Expiration Deadline, send (or, in the case of CREST sponsored members, procure that their CREST sponsor sends) a TTE Instruction to EUI, which must be properly authenticated in accordance with EUI's specifications, containing the relevant information set out in "*Preference Shares held in CREST*" below;
- (b) where such Preference Shares are not held in CREST, complete and deliver, or arrange to have delivered on its behalf, a Tender Instruction (in the form posted to the holder of Preference Shares and available from the Receiving Agent on request), using the reply paid envelope provided, for receipt by the Receiving Agent by the relevant Expiration Deadline and, at the same time, deliver to the Receiving Agent the certificate or certificates for the Preference Shares which are the subject of such Tender Instruction together with the Tender Instruction; and
- (c) where such Preference Shares are held in the LBGSA Nominee, complete and deliver to the LBGSA Nominee a LBGSA Form of Instruction using the reply paid envelope provided for receipt by the LBGSA Tender Deadline.

Shareholders are advised to check with any bank, securities broker or other intermediary through which they hold Preference Shares when such intermediary needs to receive instructions from a Shareholder before the deadlines specified in this Tender Offer Memorandum in order for that Shareholder to be able to participate in, or (in the limited circumstances in which revocation is permitted) revoke their instruction to participate in, the Offers. The deadlines set by any intermediary and (where applicable) CREST for the submission and withdrawal of Tender Instructions and (where applicable) TTE Instructions will also be earlier than the relevant deadlines specified in this Tender Offer Memorandum.

Holders of Preference Shares are advised to ensure that, where any documents are posted to the Receiving Agent, they allow sufficient time to ensure receipt of such documents by the Receiving Agent by the relevant deadline. All documentation sent to or from a Shareholder is sent at such Shareholder's own risk.

November 1996, (ii) Council Regulation (EC) No. 2271/1996 as it forms part of domestic law of the United Kingdom by virtue of the EUWA or (iii) any similar blocking or anti-boycott law in the European Union or the United Kingdom.

The procedures for a holder of Preference Shares in CREST that must be completed in order for that holder to be able to participate in an Offer involve sending (or, for CREST sponsored members, procuring that their CREST sponsor sends) a transfer to escrow instruction (“**TTE Instruction**”) in respect of such holder’s Preference Shares being tendered for purchase specifying the Receiving Agent (in its capacity as a CREST participant under its participant ID referred to below) as the escrow agent to whom such Preference Shares should be transferred so that the transfer to escrow settles by not later than the relevant Expiration Deadline. The TTE Instruction must be properly authenticated in accordance with EUI’s specifications.

Unless otherwise determined by the Offeror in its sole and absolute discretion, any Tender Instructions received by the Receiving Agent from Institutional Holders after the General Expiration Deadline will not be accepted. For technical reasons, however, any such Tender Instructions will only be released from escrow by the Receiving Agent following the Retail-Only Expiration Deadline.

The TTE Instruction must contain, in addition to the other information which is required for a TTE Instruction to settle in CREST, the following details:

- (a) the liquidation preference of Preference Shares to be transferred to an escrow balance;
- (b) the member account ID of the holder of the Preference Shares;
- (c) the participant ID of the holder of the Preference Shares;
- (d) the relevant corporate action ISIN number, participant ID and member account ID of the Receiving Agent in its capacity as a CREST receiving agent, which are as set out below:

- (e) the intended settlement date. This should be as soon as possible and in any event not later than the relevant Expiration Deadline;
- (f) the corporate action number for the Offer. This is allocated by EUI and can be found by viewing the relevant corporate action details in CREST; and
- (g) the standard TTE instruction of priority of at least 80.

After settlement of the TTE instruction, the relevant holder of Preference Shares will not be able to access such Preference Shares held in CREST for any transaction or charging purposes (subject to the limited revocation rights outlined in “*Amendment and Termination — Revocation Rights*” of this Tender Offer Memorandum) unless the relevant Offer is terminated or (if such Preference Shares are not accepted by the Offeror for purchase) concluded. If the Offeror announces it has decided to accept valid tenders of Preference Shares for purchase pursuant to the relevant Offer, the Receiving Agent (in its capacity as escrow agent) will transfer such Preference Shares to itself or as directed by the Offeror.

Holders of Preference Shares in CREST are recommended to refer to the CREST Manual for further information on the CREST procedures outlined above.

Holders of the Preference Shares in CREST should note that normal system timings and limitations will apply in connection with a TTE Instruction given in respect of the relevant Offer. Holders of Preference Shares held in CREST are referred to the sections of the CREST Manual concerning practical limitations of the CREST System and timings.

A TTE Instruction may only be revoked by a Shareholder, in the limited circumstances described in “*Amendment and Termination – Revocation Rights*”, by sending (or arranging for the relevant CREST sponsor to send) a valid electronic “ESA Instruction”, which ESA Instruction must, to be valid, specify the Preference Shares to which the original TTE Instruction related, the Shareholder’s member account ID, the Shareholder’s participant ID, the intended settlement date, the corporate action number for the relevant Offer, input with standard delivery instruction priority of at least 80, and specify any other information required by CREST and/or the Receiving Agent.

Preference Shares not held in CREST

In addition to completing and delivering, or arranging to have delivered on its behalf, a Tender Instruction for receipt by the Receiving Agent by the relevant Expiration Deadline, holders of Preference Shares not held in CREST must also deliver to the Receiving Agent, together with their Tender Instruction, the certificate or certificates for the Preference Shares which are the subject of such Tender Instruction. Such holders will also be required to provide certain additional information, all as set out in the Tender Instruction.

Holders of Preference Shares not held in CREST who have lost their certificate(s) should complete the Declaration and Indemnity that forms part of the Tender Instruction and return the completed Tender Instruction (including the completed Declaration and Indemnity) to the Receiving Agent by not later than the relevant Expiration Deadline. Indemnities will only be accepted in lieu of certificates at the discretion of the Offeror. A Tender Instruction for Preference Shares not held in CREST will not be valid unless or until the certificate(s)

in respect of Preference Shares to which such Tender Instruction relates has/have been received by the Receiving Agent or a duly completed Declaration and Indemnity has been received by the Receiving Agent and accepted by the Offeror. Administration and counter-indemnity fees are payable in respect of any Declaration and Indemnity which relates to Preference Shares which are accepted for purchase by the Offeror. The Offeror has made arrangements to pay such administration and counter-indemnity fees in respect of any Declaration and Indemnity which relates, in aggregate, to no more than 3,000 Preference Shares (i.e. to Preference Shares with a liquidation preference of no more than £3,000). The Offeror reserves the right to reject any Tender Instructions which include a completed Declaration and Indemnity in respect of Preference Shares in excess of that amount. Any holder of Preference Shares not held in CREST who has lost their certificate(s) and who wishes to submit a Tender Instruction in relation to more than 3,000 Preference Shares (i.e. with an aggregate liquidation preference of more than £3,000), should contact the Receiving Agent at the helpline number provided below, to request a Declaration and Indemnity. The holder of Preference Shares will be required to complete and submit a Declaration and Indemnity along with the completed Tender Instruction and to pay the relevant administration and counter-indemnity fee.

Any holder of Preference Shares who has executed a power of attorney authorising an attorney to sign the Tender Instruction must submit the original power of attorney (or a duly certified copy of the power or attorney as provided by the Powers of Attorney Act 1971) along with the duly completed Tender Instruction. The Receiving Agent will note the power of attorney and return it as directed.

If court confirmation, probate or letters of administration has/have been registered with the Receiving Agent, the Tender Instruction must be executed by the personal representative(s) of the deceased in the presence of a witness and lodged with the Receiving Agent. If court confirmation, probate or letters of administration has/have been granted but have not been registered with the Receiving Agent, the personal representative(s) should submit such probate or letters of administration with the Tender Instruction. The personal representative(s) of the holder of Preference Shares cannot execute the Tender Instruction unless a copy of the court confirmation, probate or letters of administration has/have been received by the Receiving Agent by no later than 1.00 p.m. (London time) on the applicable Expiration Deadline.

By completing a valid Tender Instruction, holders of Preference Shares held outside of CREST will be deemed to agree to, represent, warrant and undertake to the Offeror, the Dealer Managers, the Receiving Agent and the Information Agent the following on (i) the date of the submission of the Tender Instruction, (ii) the relevant Expiration Deadline and (iii) on the relevant Settlement Date (if the holder of such Preference Shares is unable to give these acknowledgements, agreements, representations, warranties and undertakings, such holder should contact the Receiving Agent immediately):

Preference Shares held through the LBGSA Nominee

Participants in the LBGSA Nominee who wish to tender some or all of their 6.475% Preference Shares for purchase by the Offeror in the relevant Offer must complete and deliver an LBGSA Form of Instruction for receipt by the LBGSA Nominee by the LBGSA Tender Deadline. The LBGSA Nominee will arrange to submit, by the Retail-Only Expiration Date, a Tender Instruction in respect of each validly completed LBGSA Form of Instruction received by the LBGSA Nominee by the LBGSA Tender Deadline.

In completing a LBGSA Form of Instruction, the holders of 6.475% Preference Shares held through the LBGSA Nominee will be required to make similar agreements and acknowledgements, and give similar representations, warranties and undertakings, to the Offeror, the Receiving Agent, the LBGSA Nominee and the Dealer Managers as those set out above in respect of the delivery of a Tender Instruction. Such holders may also be required to provide certain additional information, all as set out in the LBGSA Form of Instruction.

General

Tenders and instructions other than in accordance with the procedures set out in this section will not be accepted

The Offeror will only accept tenders of Preference Shares in the Offers by way of the submission of valid Tender Instructions in accordance with the procedures set out in this section “*Procedures for Participating in the Offers*”. It is also each Shareholder’s responsibility to inform itself of, and arrange for timely tender of its Preference Shares in accordance with, the applicable procedures and deadlines.

Irrevocability

The submission of a valid Tender Instruction in accordance with the procedures set out in this section “*Procedures for Participating in the Offers*” will be irrevocable (except in the limited circumstances described in “*Amendment and Termination – Revocation Rights*”).

Irregularities

All questions as to the validity, form and eligibility (including time of receipt) of any Tender Instruction or as to the revocation of any Tender Instruction will be determined by the Offeror, in its sole and absolute discretion, and such determination will be final and binding.

In relation to each Offer, the Offeror reserves the absolute right to: (i) reject any and all Tender Instructions or (in the limited circumstances in which revocation is permitted) revocation instructions not in proper form or in respect of which the acceptance by the Offeror may be unlawful, (ii) waive any defects, irregularities or delay in the submission of any and all Tender Instructions or revocation instructions, and (iii) waive any such defect, irregularity or delay in respect of particular Preference Shares, whether or not the Offeror elects to waive similar defects, irregularities or any delay in respect of other Preference Shares.

Any defect, irregularity or delay must be cured within such time as the Offeror determines, unless waived by it. Tender Instructions will be deemed not to have been made until such defects, irregularities or delays have been cured or waived. None of the Offeror, the Dealer Managers or the Information Agent shall be under any duty to give notice to a Shareholder of any defects, irregularities or delays in the receipt or non-receipt of any Tender Instruction or revocation instruction nor shall any of them incur any liability for failure to give such notice.

AMENDMENT AND TERMINATION

Amendment and Termination

Notwithstanding any other provision of the Offers, in relation to any Offer, the Offeror may, subject to applicable laws, at its option and in its sole and absolute discretion, at any time before the Retail-Only Expiration Deadline:

- (a) *Extension or re-opening*: in respect of the relevant Offer, extend the General Expiration Deadline and/or the Retail-Only Expiration Deadline or re-open such Offer, as applicable (in which case all references in this Tender Offer Memorandum to the relevant Expiration Deadline shall, unless the context otherwise requires, be to the latest time and date, as the case may be, to which the relevant Expiration Deadline has been so extended or such Offer re-opened);
- (b) *Amendment of other terms*: otherwise amend the relevant Offer in any respect (including, but not limited to, any amendment to any of the Purchase Price, the relevant Expiration Deadline or the relevant Settlement Date);
- (c) *Delay*: delay acceptance or, subject to applicable law, purchase of Preference Shares tendered in the relevant Offer, even if the Offer has expired; or
- (d) *Termination*: terminate the relevant Offer, including with respect to Tender Instructions submitted before the time of such termination.

In relation to any Offer, the Offeror also reserves the right at any time to waive any or all of the conditions of the Offers as set out in this Tender Offer Memorandum.

The Offeror will ensure an announcement is made of any such extension, re-opening, delayed acceptance, amendment or termination as soon as is reasonably practicable after the relevant decision is made.

To the extent a decision is made to waive any term or condition of an Offer generally (as opposed to in respect of certain tenders of Preference Shares only), such decision will also be announced as soon as is reasonably practicable after such decision is made. See “*Terms and Conditions of the Offers – Announcements*”. The Offeror will ensure an announcement is made in accordance with the procedures described in “*Terms and Conditions of the Offers – Announcements*” in respect of any such extension, re-opening, amendment or termination as soon as is reasonably practicable after the relevant decision is made.

In the event an Offer is terminated, notwithstanding the irrevocability of all Tender Instructions, all Tender Instructions in respect of Preference Shares of the relevant Series will be deemed to be revoked automatically.

Revocation Rights

If any amendment to an Offer is made in any way (including by way of the making of any announcement, or the issue of any supplement or other form of update to this Tender Offer Memorandum, in which any material development is disclosed) that, in the opinion of the Offeror (in consultation with the Dealer Managers), is materially prejudicial to Shareholders that have already tendered Preference Shares in such Offer before the announcement of such amendment (which announcement shall include a statement that in the Offeror's opinion such amendment is materially prejudicial to such Shareholders), then such tenders of Preference Shares may be revoked at any time from the date and time of such announcement until 1.00 p.m. (London time) on the fourth Business Day following such announcement (subject to the earlier deadlines required by CREST and any intermediary through which Shareholders hold their Preference Shares). For the avoidance of doubt, any extension or re-opening of an Offer (including any amendment in relation to the relevant Expiration Deadline

and/or the relevant Settlement Date) in accordance with the terms of the Offers as described in this section “*Amendment and Termination*” shall not be considered materially prejudicial to Shareholders that have already tendered Preference Shares in the relevant Offer (provided that the final settlement date(s) of such Offer as so extended or re-opened will fall no later than the day falling ten Business Days after the originally scheduled Settlement Date).

Shareholders wishing to exercise any right of revocation as set out above should do so in accordance with the procedures set out in “*Procedures for Participating in the Offers*”. Shareholders who have submitted a Tender Instruction and who wish to revoke their Tender Instruction should contact CREST or the Receiving Agent (as applicable) in good time for further details in connection with the process for submitting their revocation request. Beneficial owners of Preference Shares that are held through an intermediary are advised to check with such entity when it would require receipt of instructions to revoke a tender of Preference Shares in the relevant Offer in order to meet the above deadline. For the avoidance of doubt, any Shareholder who does not exercise any such right of revocation in the circumstances and in the manner specified above shall be deemed to have waived such right of revocation and its original Tender Instruction will remain effective.

Shareholders are advised to check with any bank, securities broker or other intermediary through which they hold Preference Shares when such intermediary would require to receive revocation instructions from a Shareholder in order for that Shareholder to be able to revoke their instruction to participate in, the Offers before the deadlines specified above. The deadlines set by any such intermediary and CREST for the revocation instructions will be earlier than the relevant deadlines specified above.

TAX CONSEQUENCES

In view of the number of different jurisdictions where tax laws may apply to a Shareholder, this Tender Offer Memorandum does not discuss the tax consequences to Shareholders of the purchase of Preference Shares by the Offeror pursuant to the Offers. Shareholders are urged to consult their own professional advisers regarding these possible tax consequences under the laws of the jurisdictions that apply to them or to the sale of their Preference Shares and their receipt of the relevant Purchase Consideration and, if applicable, the relevant Incremental Accrued Dividend Payment. Shareholders are liable for their own taxes and similar or related payments imposed on them under the laws of any applicable jurisdiction, and have no recourse to the Offeror, the Dealer Managers, the Receiving Agent or the Information Agent with respect to such taxes arising in connection with the Offers.

DEALER MANAGERS, INFORMATION AGENT AND RECEIVING AGENT

The Offeror has retained Credit Suisse International, Lloyds Bank Corporate Markets plc and Merrill Lynch International to act as Dealer Managers for the Offers, Lucid Issuer Services Limited to act as Information Agent and Equiniti Limited to act as Receiving Agent. The Offeror has entered into a dealer manager agreement with the Dealer Managers, which contains certain provisions regarding payment of fees, expense reimbursement and indemnity arrangements relating to the Offers.

Each Dealer Manager and its affiliates may contact Shareholders regarding the Offers and may request brokerage houses, custodians, nominees, fiduciaries and others to forward this Tender Offer Memorandum and related materials to Shareholders.

Each Dealer Manager and its affiliates have provided and continue to provide certain investment banking services to the Offeror for which they have received and will receive compensation that is customary for services of such nature.

Each Dealer Manager and/or its affiliates may have a holding in, or may from time to time provide advice or other investment services in relation to, or engage in transactions involving, the Preference Shares. Further, each of the Dealer Managers may (subject always to the Offer and Distribution Restrictions): (i) submit Tender Instructions for its own account; and (ii) submit Tender Instructions on behalf of other Shareholders.

None of the Dealer Managers, the Receiving Agent or the Information Agent (or any of their respective directors, officers, employees, agents or affiliates) assumes any responsibility for the accuracy, adequacy or completeness of the information concerning the Offers, the Offeror, any of its respective affiliates or the Preference Shares contained in this Tender Offer Memorandum or for any failure by the Offeror to disclose events that may have occurred and may affect the significance or accuracy of such information.

None of the Dealer Managers, the Receiving Agent or the Information Agent (or any of their respective directors, officers, employees or affiliates) is acting for any Shareholder, or will be responsible to any Shareholder for providing any protections which would be afforded to its clients or for providing advice in relation to the Offers and accordingly, none of them make any representation or recommendation whatsoever regarding the Offers or any recommendation as to whether Shareholders should tender Preference Shares in the Offers or otherwise participate in the Offers.

The Information Agent and the Receiving Agent are the agents of the Offeror and owe no duty to any Shareholder.

OFFER AND DISTRIBUTION RESTRICTIONS

This Tender Offer Memorandum does not constitute an offer or an invitation to participate in the Offers in the United States or in any other jurisdiction in which, or to any person to or from whom, it is unlawful to make such invitation or for there to be such participation under applicable securities laws. The distribution of this Tender Offer Memorandum in certain jurisdictions may be restricted by law. Persons into whose possession this Tender Offer Memorandum comes are required by each of the Offeror, the Dealer Managers, the Information Agent and the Receiving Agent to inform themselves about and to observe any such restrictions.

United States

The Offers are not being made and will not be made, directly or indirectly, in or into, or by use of the mails of, or by any means or instrumentality of interstate or foreign commerce of, or of any facilities of a national securities exchange of, the United States or to any U.S. Person (as defined in Regulation S of the United States Securities Act of 1933, as amended (each, a “**U.S. Person**”)). This includes, but is not limited to, facsimile transmission, electronic mail, telex, telephone, the internet and other forms of electronic communication. Accordingly, copies of this Tender Offer Memorandum and any other documents or materials relating to the Offers are not being, and must not be, directly or indirectly, mailed or otherwise transmitted, distributed or forwarded (including, without limitation, by custodians, nominees or trustees) in or into the United States or to a U.S. Person and the Preference Shares cannot be tendered in the Offers by any such use, means, instrumentality or facility or from or within or by persons located or resident in the United States or by any U.S. Person. Any purported tender of Preference Shares in the Offers resulting directly or indirectly from a violation of these restrictions will be invalid and any purported tender of Preference Shares made by a person located in the United States, a U.S. Person, by any person acting for the account or benefit of a U.S. Person, or by any agent, fiduciary or other intermediary acting on a non-discretionary basis for a principal giving instructions from within the United States will be invalid and will not be accepted.

Each holder of Preference Shares participating in an Offer will represent that it is not a U.S. Person, is not located in the United States and is not participating in such Offer from the United States, or it is acting on a non-discretionary basis for a principal located outside the United States that is not giving an order to participate in such Offer from the United States and who is not a U.S. Person. For the purposes of this and the above paragraph, “**United States**” means the United States of America, its territories and possessions (including Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and the Northern Mariana Islands), any state of the United States of America and the District of Columbia.

United Kingdom

The communication of this Tender Offer Memorandum by the Offeror and any other documents or materials relating to the Offers is not being made, and such documents and/or materials have not been approved, by an authorised person for the purposes of section 21 of the Financial Services and Markets Act 2000 (the “**FSMA**”). Accordingly, such documents and/or materials are not being distributed to, and must not be passed on to, the general public in the United Kingdom. The communication of such documents and/or materials is exempt from the restriction on financial promotions under section 21 of the FSMA on the basis that it is only directed at and may be communicated to (1) those persons who are existing members or creditors of the Offeror or other persons within Article 43(2) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, and (2) to any other persons to whom these documents and/or materials may lawfully be communicated.

France

This Tender Offer Memorandum and any other documents or offering materials relating to the Offers, may not be distributed (directly or indirectly) in the Republic of France except to qualified investors (*investisseurs qualifiés*) as defined in Article 2(e) of the EU Prospectus Regulation. Neither this Tender Offer Memorandum

nor any other documents or offering materials relating to the Offers have been and will not be submitted for clearance to nor approved by the *Autorité des marchés financiers*.

Belgium

Neither this Tender Offer Memorandum nor any other documents or materials relating to the Offers have been submitted to or will be submitted for approval or recognition to the Financial Services and Markets Authority (“*Autorité des services et marchés financiers / Autoriteit financiële diensten en markten*”) and, accordingly, the Offers may not be made in Belgium by way of a public offering, as defined in Articles 3 and 6 of the Belgian Law of 1 April 2007 on public takeover bids (the “**Belgian Takeover Law**”) as amended or replaced from time to time. Accordingly, the Offers may not be advertised and the Offers will not be extended, and neither this Tender Offer Memorandum nor any other documents or materials relating to the Offers (including any memorandum, information circular, brochure or any similar documents) has been or shall be distributed or made available, directly or indirectly, to any person in Belgium other than (i) to persons which are “qualified investors” in the sense of Article 2 (e) of the EU Prospectus Regulation, acting on their own account; or (ii) in any other circumstances set out in Article 6, §4 of the Belgian Takeover Law. This Tender Offer Memorandum has been issued only for the personal use of the above qualified investors and exclusively for the purpose of the Offers. Accordingly, the information contained in this Tender Offer Memorandum may not be used for any other purpose or disclosed to any other person in Belgium.

Italy

None of the Offers, this Tender Offer Memorandum or any other documents or materials relating to the Offers have been or will be submitted to the clearance procedure of the *Commissione Nazionale per le Società e la Borsa* (“**CONSOB**”) pursuant to Italian laws and regulations.

The Offers are being carried out in the Republic of Italy as exempted offers pursuant to article 101-bis, paragraph 3-bis of the Legislative Decree No. 58 of 24 February 1998, as amended (the “**Financial Services Act**”) and article 35-bis, paragraph 4 of CONSOB Regulation No. 11971 of 14 May 1999, as amended (the “**Issuers’ Regulation**”).

A Shareholder located in the Republic of Italy can tender some or all of its Preference Shares through authorised persons (such as investment firms, banks or financial intermediaries permitted to conduct such activities in the Republic of Italy in accordance with the Financial Services Act, CONSOB Regulation No. 20307 of 15 February 2018, as amended from time to time, and Legislative Decree No. 385 of 1 September 1993, as amended) and in compliance with applicable laws and regulations or with requirements imposed by CONSOB or any other Italian authority.

Each intermediary must comply with the applicable laws and regulations concerning information duties *vis-à-vis* its clients in connection with the Preference Shares or the Offers.

General

Neither this Tender Offer Memorandum nor the electronic transmission thereof constitutes an offer to buy or the solicitation of an offer to sell Preference Shares (and tenders of Preference Shares for purchase pursuant to the Offers will not be accepted from Shareholders) in any circumstances in which such offer or solicitation is unlawful. In those jurisdictions where the securities, blue sky or other laws require an Offer to be made by a licensed broker or dealer and any of the Dealer Managers or any of their affiliates is such a licensed broker or dealer in any such jurisdiction, such Offer shall be deemed to be made by such Dealer Manager or such affiliate, as the case may be, on behalf of the Offeror in such jurisdiction.

In addition to the representations referred to above in respect of the United States, the United Kingdom, France, Belgium and Italy, each Shareholder participating in an Offer will be deemed to give certain other representations, warranties and undertakings and make certain agreements as set out in “*Procedures for*

Participating in the Offers” will be deemed to give certain representations in respect of the other jurisdictions referred to above and generally as described in “*Procedures for Participating in the Offers*”. Any tender of Preference Shares for purchase pursuant to the Offers from a Shareholder that is unable to make these representations will not be accepted.

Each of the Offeror, the Dealer Managers and the Information Agent reserves the right, in its sole and absolute discretion (and without prejudice to the relevant Shareholder’s responsibility for the representations made by it), to investigate, in relation to any tender of Preference Shares for purchase pursuant to an Offer, whether any such representation given by a Shareholder is correct and, if such investigation is undertaken and as a result the Offeror determines (for any reason) that such representation is not correct, such tender or submission may be rejected.

ANNEX

QUESTIONS AND ANSWERS ABOUT THE OFFERS

This Annex is addressed only to Shareholders who hold their Preference Shares in certificated form.

This Annex is not addressed to Shareholders who hold their Preference Shares in CREST or to participants who hold 6.475% Preference Shares through the LBGSA Nominee. Instead, any such Shareholders or participants should refer to the Tender Offer Memorandum, and participants who hold 6.475% Preference Shares through the LBGSA Nominee should also refer to the separate communications provided to them.

These questions and answers are not meant to be a substitute for the information contained in the Tender Offer Memorandum, and this information is qualified in its entirety by the more detailed descriptions and explanations contained in the Tender Offer Memorandum. Capitalised terms used herein have the meanings given in the Tender Offer Memorandum. Holders of the Preference Shares are urged to read the Tender Offer Memorandum in its entirety prior to making any decision. Holders of the Preference Shares should consult their own tax, accounting, financial and legal advisers regarding the consequences of participating in the Offers.

1 What is a tender offer?

A tender offer is an offer by an issuer of debt securities or preference shares (for example, a bank or building society) to the holders of relevant securities to purchase such securities for cash in order to manage its amount of outstanding debts or preference shares.

In this case, the Offeror is offering to purchase for cash any and all of the Preference Shares (as defined above), on the terms and subject to the conditions contained in the Tender Offer Memorandum.

2 Am I obliged to participate in the Offers?

The Offers are purely voluntary and there is no obligation on Shareholders to participate in the Offers. The Offeror is making the Offers to purchase the Preference Shares for cash should you *wish* to sell them.

3 Why is the Offeror undertaking the Offers?

The Offers are part of the Group's continuous review and management of its outstanding capital issuance, maintaining a prudent approach to the management of the Group's capital position. See the section of the Tender Offer Memorandum entitled "*Terms and Conditions of the Offers – Background and Rationale for the Offers*" for further information.

4 How can I participate in the Offers?

You can participate in the Offers by submitting a valid Tender Instruction or (in the case of Preference Shares held in CREST) a TTE Instruction, in each case in accordance with the detailed procedures set out in the section of the Tender Offer Memorandum entitled "*Procedures for Participating in the Offers*".

5 What will happen to my Preference Shares if I do not participate in the Offers?

As mentioned above, the Offers are purely voluntary and there is no obligation on Shareholders to participate in the Offers.

If you do not participate in the Offers you will continue to hold the Preference Shares subject to their terms and conditions.

However, please be aware that the Offeror is not obliged to make further tender offers to purchase the Preference Shares in the future.

Additionally, the aggregate outstanding amount of each Series of the Preference Shares will be reduced by the amount of Preference Shares of the relevant Series that are successfully purchased by the Offeror pursuant to the Offers.

6 What is the deadline for participating in the Offers?

There are two deadlines for the Offers:

- (i) For Institutional Holders: the enclosed Tender Instruction must be completed and delivered to the Receiving Agent by 1.00 p.m. (London time) on 19 November 2021.
- (ii) For Retail Holders: the enclosed Tender Instruction must be completed and delivered to the Receiving Agent by 1.00 p.m. (London time) on 9 December 2021. Retail Holders who wish to be eligible to receive payment on or soon after 30 November 2021 must submit their Tender Instruction so that it is received by the Receiving Agent by 1.00 p.m. (London time) on 19 November 2021; the Retail-Only Settlement Date will apply to Tender Instructions received thereafter.

The following summarises the expected key commencement, expiration and settlement dates for the Offers:

Announcement of the Offers:	10 November 2021
General Expiration Deadline:	1.00 p.m. London time on 19 November 2021
Announcement of Results following the General Expiration Deadline:	22 November 2021
General Settlement Date:	30 November 2021
Retail-Only Expiration Deadline:	1.00 p.m. London time on 9 December 2021
Announcement of Results following the Retail-Only Expiration Deadline:	10 December 2021
Retail-Only Settlement Date:	15 December 2021
Cheques issued where applicable in respect of the Purchase Price and the Incremental Accrued Dividend Payment:	On or soon after 23 December 2021

7 What payment will I receive for each Preference Share if such Preference Share is accepted for purchase?

Holders whose Preference Shares are accepted for purchase will receive (i) the relevant Purchase Price and (ii) if applicable, an Incremental Accrued Dividend Payment.

The Purchase Price for 6.475% Preference Shares includes accrued and unpaid dividends from, and including, 15 September 2021 (being the previous dividend payment date) up to, but excluding, 30 November 2021.

5 November 2021 was the Record Date for the dividend payable on the 9.25% Preference Shares and the 9.75% Preference Shares on 30 November 2021. The Purchase Prices for those Preference Shares do not include this dividend payment, which will be paid separately on 30 November 2021 to the holders of record

on the Record Date pursuant to the terms of those Preference Shares, regardless of whether a holder participates in the Offer.

(i) Purchase Price

The Purchase Price for each Series of the Preference Shares is set out in the table in the enclosed letter, and is expressed as a percentage of the liquidation preference of the relevant Preference Shares.

(ii) Incremental Accrued Dividend Payment – Retail-Only Settlement Date Only

On 15 December 2021, the Offeror will pay, to Retail Holders whose Tender Instructions are received after 1.00 p.m. London time on 19 November 2021 and prior to 1.00 p.m. London time on 9 December 2021, an amount equal to any accrued and unpaid dividends on the relevant Preference Shares from, and including, 30 November 2021 up to, but excluding, 15 December 2021. Where payments are to be made by cheque, such cheques are expected to be issued 6 business days after the Retail-Only Settlement Date.

For illustration purposes, and assuming that the General Settlement Date and Retail-Only Settlement Date are not subsequently amended from those set out in the Tender Offer Memorandum, the cash amount of the Purchase Consideration and the Incremental Accrued Dividend Payment (if applicable) are expected to be as follows:

Series	Purchase Consideration per Preference Share*	Incremental Accrued Dividend Payment per Preference Share*
6.475% Preference Shares	£1.12050	0.26610p
9.25% Preference Shares	£1.67250	0.38118p
9.75% Preference Shares	£1.74200	0.40179p

* Shown to 5 decimal places for illustrative purposes.

8 What should I do if I have missed the relevant deadline?

Unfortunately, the Receiving Agent will not be able to process your instructions should it not receive them before the expiration deadline applicable to you.

9 When will holders of Preference Shares that have been accepted for purchase receive payment?

Payment to holders of the relevant Preference Shares will be made on the relevant Settlement Date (subject to the right of the Offeror to delay the acceptance of Tender Instructions as set out in the Tender Offer Memorandum).

- (i) For validly submitted Tender Instructions received by the Receiving Agent prior to the General Expiration Deadline, the settlement date is expected to be 30 November 2021.
- (ii) For Retail Holders whose respective validly submitted Tender Instructions are received by the Receiving Agent after the General Expiration Deadline and prior to the Retail-Only Expiration Deadline, the settlement date is expected to be 15 December 2021.

Payments in respect of the relevant Preference Shares may be made by cheque or by electronic means and, as such, the relevant Shareholders may experience a delay in receiving payments. In the case of Preference Shares accepted for purchase by the Offeror for settlement on the General Settlement Date, any cheque

payment is expected to be issued on the General Settlement Date. In the case of Preference Shares accepted for purchase by the Offeror for settlement on the Retail-Only Settlement Date, any cheque payment is expected to be issued 6 business days after the Retail-Only Settlement Date. All payments of the Incremental Accrued Dividend Payment are expected to be issued 6 business days after the Retail-Only Settlement Date.

Under no circumstances will any additional amount, whether in respect of interest or dividends or otherwise, be payable in respect of any period after the relevant Settlement Date.

See the section of the Tender Offer Memorandum entitled "*Payment*" for further information.

10 What if I no longer hold the Preference Shares?

The Offeror is only making the Offers available to eligible Shareholders who are currently holding the Preference Shares.

If you no longer hold the Preference Shares you will be unable to participate in the Offers.

11 Am I a Retail Holder?

A Retail Holder is a Shareholder:

- (a) who holds less than £100,000 in aggregate liquidation preference of the Preference Shares of the relevant Series,
- (b) whose ordinary activities do not involve that person buying, selling, subscribing for or underwriting instruments such as the Preference Shares for the purposes of a business carried on by that person, **and**
- (c) who it is reasonable to expect will not carry on the activities described in (b) above for the purposes of a business carried on by that person.

Any Shareholder that is not a Retail Holder shall qualify as an Institutional Holder.

Any Shareholder that is a company or other organisation and is not sure whether they are a Retail Holder or an Institutional Holder may contact Equiniti Limited, as Receiving Agent for the Preference Shares, for further information:

Telephone: 0371-384-2458 (if calling from the UK) or +44 371-384-2458 from overseas.¹

12 What if I am the personal representative(s) of a previous holder who is now deceased?

In the event that you are the personal representative(s) of a previous holder who is now deceased and some of these Preference Shares are within the estate of the deceased we wish to notify you of the existence of the Offers to repurchase these Preference Shares from the Offeror. If you have not already notified Equiniti Limited, the Receiving Agent for the Preference Shares, of the passing of the deceased, please contact them if you would like to participate in the Offer or if you would like us to update the details we hold:

Telephone: 0371-384-2458 (if calling from the UK) or +44 371-384-2458 from overseas.²

¹ The Receiving Agent's lines are open from 8.30 a.m. to 5.30 p.m. (UK time) Monday to Friday (excluding public holidays in England and Wales). Calls from within the UK are charged at the standard geographic rate and will vary by provider. Calls to the helplines from outside the UK will be charged at the applicable international rate. Please note that calls may be monitored for security and training purposes. The helplines cannot provide advice on the merits of the Offers or give any financial, legal or tax advice.

² See footnote 1 above.

If, as personal representative(s) of the previous holder, you would like to participate in the Offer(s) but are unable to do so in the timeframes described in the enclosed documents, we would still invite you to contact the Receiving Agent to discuss your options and the process for updating the share register with the appropriate name and contact details.

13 My Preference Shares are not held through CREST. What do I need to do if I can't find my certificate but wish to participate in the Offers?

Holders should complete the Declaration and Indemnity that forms part of the enclosed Tender Instruction and return the completed Tender Instruction (including the completed Declaration and Indemnity) to the Receiving Agent by no later than the relevant Expiration Deadline. A Tender Instruction for Preference Shares not held in CREST will not be valid unless or until the certificate(s) in respect of Preference Shares to which such Tender Instruction relates has/have been received by the Receiving Agent or a duly completed Declaration and Indemnity has been received by the Receiving Agent and accepted by the Offeror. See the section of the Tender Offer Memorandum entitled "*Procedures for Participating in the Offers – Preference Shares not held in CREST*" for further information.

14 What will happen to the Preference Shares once they are purchased by the Offeror?

Preference Shares repurchased by the Offeror pursuant to the Offers will be cancelled and will not be re-issued or re-sold. Preference Shares which have not been validly submitted and accepted for purchase pursuant to the Offers will remain outstanding.

15 Is the Offeror obliged to purchase tendered Preference Shares?

The Offeror is not under any obligation to accept for purchase any Preference Shares tendered pursuant to an Offer. Tenders of Preference Shares may be rejected in the sole and absolute discretion of the Offeror for any reason. For example, tenders of Preference Shares may be rejected if the relevant Offer is withdrawn or terminated. Holders of the Preference Shares should read carefully and consider the section headed "*Risk Factors and Other Considerations*" in the Tender Offer Memorandum for further details.

16 What are the tax implications for me if I participate in the Offers?

The Offeror has not provided any advice as to the tax consequences to Shareholders if they participate in the Offers. You are urged to consult your own professional advisers regarding any possible tax consequences under the laws of the jurisdictions that apply to you or to the sale of your Preference Shares and your receipt of the relevant Purchase Consideration and, if applicable, the relevant Incremental Accrued Dividend Payment.

Please also bear in mind that you are liable for your own taxes in connection with the Offers.

17 Should I participate in the Offers and what factors should I consider before taking a decision?

You are solely responsible for making your own independent assessment of all matters you believe are appropriate (including those relating to the Offers and the Offeror), and you must make your own decision whether to tender any or all of your Preference Shares for purchase pursuant to the Offers.

If you are in any doubt as to the action you should take (including in respect of any tax or legal consequences), you should immediately seek your own financial and/or legal advice from your broker, bank manager, solicitor, accountant, fund manager or other independent financial, tax or legal adviser.

Please note that the Offeror is acting only for itself in relation to the Offers. This means that the Offeror will not be responsible to you or any other person for providing the protections which would be given to customers of the Offeror or for providing advice in relation to any Offer.

Please also bear in mind that:

- (i) if you decide to participate in the Offers, and the Offeror accepts for purchase the Preference Shares that you tender in the Offers, then, after settlement of the Offers, you will no longer hold those Preference Shares and you will no longer be entitled to any dividend payments for those Preference Shares;
- (ii) whether or not the Offers are completed, the Offeror retains the right to seek to purchase, after the Offers, the Preference Shares, at purchase prices which may be more or less than the prices to be paid under the Offers and on terms which may be more or less favourable than those applying to the Offers; and
- (iii) the Offeror will announce on 22 November 2021 whether it will accept tenders of Preference Shares received by the Receiving Agent before the General Expiration Deadline, and the Offeror will announce on 10 December 2021 whether it will accept tenders of Preference Shares received by the Receiving Agent prior to the Retail-only Expiration Deadline but after the General Expiration Deadline and the Offeror will only be obliged to purchase Preference Shares following publication of such announcements.

Before deciding whether you would like to participate in the Offers, please ensure that you carefully read the whole of the Tender Offer Memorandum and in particular, you should read the “*Risk Factors and Other Considerations*” section of the Tender Offer Memorandum.

18 Will I continue to receive dividend payments if I participate in the Offers?

Holders whose Preference Shares are purchased pursuant to the Offers will not be eligible for any dividends or payment of any other amount in respect of such Preference Shares following the relevant Settlement Date. See question 7 above for further details of dividend payments with respect to the Offers.

The next dividend payment date pursuant to the terms of the 9.25% Preference Shares and the 9.75% Preference Shares is 30 November 2021 (for which purposes the Record Date for each Series is 5 November 2021). Irrespective of their participation in the relevant Offers, Holders of such Preference Shares as at the Record Date will be entitled to the dividend payment due on 30 November 2021 pursuant to the terms of each Series.

Such payment dividend will be in addition to any payment of the Purchase Price and any Incremental Accrued Dividend Payment by the Offeror pursuant to the terms of the relevant Offer.

19 Is there any limit to the number of Preference Shares that may be accepted pursuant to the Offers?

No, the Offers are being made for “any and all” Preference Shares held by the relevant Shareholders. However, the Offeror is under no obligation to accept for purchase Preference Shares tendered pursuant to the relevant Offer, and accordingly any such tender may be accepted or rejected by the Offeror in its sole and absolute discretion and for any reason.

20 Can I tender other securities issued by the Offeror for purchase?

The Offers being made pursuant to the Tender Offer Memorandum are only being made in respect of the Preference Shares.

21 Are the Offers subject to any restrictions?

Yes. Please see “*Offer and Distribution Restrictions*” in the Tender Offer Memorandum for full details.
