Distribution strategy	<ul style="list-style-type: none"> Through external FCA regulated financial advisers or direct with CGWM with advice Through internal CGWM investment managers under discretion Through internal CGWPL financial planners with advice Direct to retail private clients with advice.
Fair value statement	CGWM has undertaken a fair value assessment of this service using internally selected criteria that meets regulatory expectations. These include financial and non-financial benefits, costs, peer group comparisons and customer feedback. The outcome is that the benefits to the client are achieved at a cost that offers fair value. CGWM are committed to providing ongoing fair value for all our services and will be conducting annual assessments. We are aware that Financial Advisers have their own specific charges associated with the services they provide and that they will need to make their own fair value assessment of the overall costs once these charges are considered.

Investment involves risk.
