# Forward Looking Statements

The presentations made at the Annual General Meeting may contain certain forward-looking statements. These statements relate to future events or future performance and reflect management's expectations regarding Canaccord Genuity's growth, results of operations, performance and business prospects and opportunities. Such forward-looking statements reflect management's current beliefs and are based on information currently available to management. By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and a number of factors could cause actual events or results to differ materially from the results discussed in the forward-looking statements. In evaluating these statements, participants should specifically consider various factors, which may cause actual results to differ materially from any forward-looking statement. These factors include, but are not limited to, market and general economic conditions, the nature of the financial services industry and the risks and uncertainties detailed in Canaccord Genuity's interim and annual financial statements and its Annual Report and Annual Information Form filed on [www.sedar.com](http://www.sedar.com).

These forward-looking statements are made as of August 6, 2014, and Canaccord Genuity assumes no obligation to update or revise them to reflect new events or circumstances.
