ANNUAL GENERAL MEETING OF SHAREHOLDERS

THIS BOOKLET CONTAINS:

- The notice of the annual general meeting of shareholders
- The Management Information Circular
- If you are a registered shareholder, a proxy form that you may use to vote your common shares without attending the Meeting
- If you hold your shares through an intermediary such as a broker, instructions on how to ensure your shares are voted at the Meeting

Shareholders are invited to attend the annual general meeting (the “Meeting”) of the shareholders of Canaccord Capital Inc. (the “Company”) on August 4, 2006. At the Meeting, management will report on the Company’s performance in the financial year ended March 31, 2006 (“fiscal 2006”) and the Company’s plans for the coming fiscal year.

The Meeting will deal with the presentation of financial results, the election of directors and the appointment of auditors.

Your presence (or your proxy if you are unable to attend in person) is important to us and we would like your support for all matters to be decided at the Meeting.

If you have any questions about the Management Information Circular, or how to vote, please contact Canaccord Investor Relations at 1-604-643-0128.

REGISTERED SHAREHOLDERS

PLEASE NOTE: If your shares are registered in your name (and you are therefore a registered shareholder), then a proxy form is enclosed with this booklet. This proxy form may be used to vote your common shares if you are unable to attend the Meeting in person. Instructions on how to vote using this proxy form are found on page 2 of the Management Information Circular.

NON-REGISTERED BENEFICIAL SHAREHOLDERS

PLEASE NOTE: If you are **not** a registered shareholder and your common shares are held on your behalf, or for your account, by a broker, securities dealer, bank, trust company or similar entity (an “Intermediary”), then a proxy form is not usually enclosed with this booklet. Instead, a voting information form (also known as a VIF) is usually enclosed. You may not be able to vote unless you carefully follow the instructions provided by the Intermediary with this booklet. Please also refer to page 3 of the Management Information Circular.

We hope that you will find the format of these proxy materials easy to read and, most importantly, easy to understand. We would welcome your comments and any suggestions for improvements.

If you have any questions about this Circular or how to vote, please contact Canaccord Investor Relations at 1-604-643-0128.

VOTING AND APPOINTMENT OF PROXY

Your rights to attend and vote at the Meeting depend on whether you are a **registered shareholder** (that is, the shares of the Company are actually registered in your name) or a **non-registered beneficial shareholder** (for example, a person who holds shares of the Company through a broker or a bank).

Registered shareholders

If you are a registered shareholder, you may attend the Meeting in person. You may also appoint someone (known as a proxyholder) to represent you at the Meeting and vote on your behalf. If you complete and submit the proxy form without alteration, then you will have appointed the Company’s Chairman (or his alternate) to attend the Meeting and vote on your behalf.

You have the right to appoint a person or company to represent you at the Meeting other than the persons designated in the proxy form. If you wish to appoint some other person or company to represent you at the Meeting, you may do so by striking out the names of the persons designated in the proxy form and inserting the name of the person or company to be appointed in the blank space provided and signing the proxy form.

If you wish to vote at the Meeting by proxy, you must either (a) complete the proxy and return it to the Company's transfer agent, Computershare Investor Services Inc., or (b) follow the instructions in the proxy to vote by telephone or on the Internet. In order to be valid, the telephone or Internet voting must be completed or the proxy must be received by Computershare at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, Attention: Proxy Department, or by fax at +1 (866) 249-7775 (toll free in Canada and the United States) or +1 (416) 263-9524 (outside Canada and the United States), no later than 5:00 p.m. (Toronto time) on Wednesday, August 2, 2006, or in the case of any adjournment or postponement of the Meeting, no later than 48 hours (excluding Saturdays and holidays) before the time of such reconvened meeting.

Even if you give a proxy, as a registered shareholder, you may still attend and vote in person at the Meeting.

REVOKING YOUR PROXY

A proxy is revocable. If you have given a proxy, you (or your attorney authorized in writing) may revoke the proxy by giving notice of the revocation in writing at the Company's registered office, located at 1000-840 Howe Street, Vancouver, British Columbia V6Z 2M1, at any time up to and including the last business day before the Meeting or to the chair of the Meeting before any vote in respect of which the proxy is given. The notice of the revocation must be signed as follows: (a) if you are an individual, then the notice must be signed by you or your legal personal representative or trustee in bankruptcy and (b) if you are a corporation, then the notice must be signed by the corporation or by a representative appointed for the corporation in accordance with the articles of the Company.

Non-registered beneficial shareholders

If your common shares are not registered in your own name, then they are being held in the name of an intermediary (which is usually a trust company, a securities dealer or broker, a bank or another financial institution) or in the name of a clearing agency such as the Canadian Depository for Securities Limited. You are usually called either a non-registered or a beneficial shareholder or owner. These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

There are various procedures for the voting of your shares, and these procedures may vary among intermediaries and clearing agencies in ways over which the Company has no control. **If you are a beneficial shareholder, you should carefully follow the instructions of the intermediary or clearing agency, including instructions regarding when and where any voting instruction form or proxy form is to be delivered.**

Typically, you will receive one of the following:

1. **A COMPUTERSHARE VOTING INSTRUCTION FORM.** This is a form also known as a VIF. If you receive a VIF and wish to vote at the Meeting, you must either (a) complete the VIF and return it to Computershare or (b) follow the instructions in the VIF to vote by telephone or on the Internet. The telephone or Internet voting should be completed or the VIF should be received by Computershare at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, Attention: Proxy Department, or by fax at +1 (866) 249-7775 (toll free in Canada and the United States) or +1 (416) 263-9524 (outside Canada and the United States), no later than 5:00 p.m. (Toronto time) on Wednesday, August 2, 2006, or in the case of any adjournment or postponement of the Meeting, no later than 48 hours (excluding Saturdays and holidays) before the time of such reconvened meeting. If you wish also to **attend** the Meeting in person and vote (or have another person attend and vote on your behalf), you must follow the instructions in the VIF. Unless you follow these instructions you will not be permitted to attend the Meeting in person.
2. **A FACSIMILE SIGNED PROXY.** This is a proxy which has been signed by the intermediary (typically by a facsimile, stamped signature) and already indicates the number of common shares you beneficially own but that is otherwise uncompleted. You do not need to sign this form. If you receive a facsimile signed proxy and you wish to vote at the Meeting, you must properly complete the proxy and deposit it with Computershare at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, Attention: Proxy Department, or by fax at +1 (866) 249-7775 (toll free in Canada and the United States) or +1 (416) 263-9524 (outside Canada and the United States), no later than 5:00 p.m. (Toronto time) on Wednesday, August 2, 2006, or in the case of any adjournment or postponement of the Meeting, no later than 48 hours (excluding Saturdays and holidays) before the time of such reconvened meeting. If you wish also to **attend** the Meeting

INFORMATION FOR SHAREHOLDERS

in person and vote (or have another person attend and vote on your behalf), simply strike out the names of the persons indicated in the proxy form and insert your (or such other person's) name in the blank space provided.

3. **AN ADP PROXY FORM.** This is a form of proxy provided by ADP Investor Communications ("ADP") in accordance with arrangements often made by brokers to delegate the responsibility for obtaining voting instructions to ADP. If you receive an ADP proxy form and wish to vote at the Meeting, you must return the ADP proxy form to ADP or follow the instructions on the form for telephone voting. ADP will tabulate the results and then provide instructions to Computershare respecting the voting of shares to be represented at the Meeting. You must return the proxy to ADP or give the telephone voting instructions well in advance of the Meeting in order to have your shares voted. If you wish also to **attend** the Meeting in person and vote (or have another person attend and vote on your behalf), simply strike out the names of the persons indicated in the proxy form and insert your (or such other person's) name in the blank space provided.

If you have any questions about this Circular or how to vote, please contact Canaccord Investor Relations at 1-604-643-0128.

REVOKING YOUR PROXY

A non-registered holder may revoke a proxy or voting instruction form which has been given to an intermediary by written notice to the intermediary. In order to ensure that an intermediary acts upon a revocation of a proxy form or voting instruction form, the written notice should be received by the intermediary well in advance of the Meeting.

PROVISIONS RELATING TO VOTING OF PROXIES

If you are a registered shareholder and submit a proxy in the form of the proxy form enclosed in the mailing to registered shareholders (the "Proxy"), then the shares represented by the Proxy will be voted or withheld from voting in accordance with your instructions on any ballot that may be called for and, if you specify a choice with respect to any matter to be acted upon, the shares will be voted accordingly. If you do not give any instructions or specify any choice, then your shares will be voted in favour of all proposals set out in the Proxy and for the election of directors and the appointment of the auditors as set out in this Circular.

The Proxy gives the person named in it the discretion to vote as he or she sees fit on any amendments or variations to matters identified in the notice of meeting and on any other matters which may properly come before the Meeting. At the date of this Circular, the management of the Company knows of no other matters which may come before the Meeting other than those referred to in the notice of meeting.

SIGNIFICANT EQUITY RESTRICTIONS

Pursuant to rules established by certain securities regulatory authorities in Canada and the United States, the ownership of shares of an investment dealer or broker dealer is subject to certain restrictions. To enable the Company and its subsidiaries to comply with these requirements, the articles of the Company contain the following provisions.

At any time if proxies are solicited from shareholders at any meeting of shareholders or before such a meeting, the Company may require a declaration with respect to the holding of shares of the Company as beneficial owner and any other matter that the directors consider relevant to determine if the holding of shares by any person could violate the articles or applicable legislative or regulatory requirements.

The Company has the power to withdraw the voting rights of any share of any class if:

- (a) a person beneficially owns or controls, directly or indirectly, a "significant equity interest" in the Company and has not obtained the required approvals from all relevant securities regulatory authorities;
- (b) a person who wishes to exercise voting rights, in person or by proxy, refuses to sign and deliver, with respect to his or her beneficial ownership of shares of the Company, a declaration or other information reasonably necessary to assist the directors in making their determinations under the articles; or

- (c) if the directors have determined, on the basis of the declaration or information provided by a person who wishes to exercise voting rights, that such person may own or control, directly or indirectly, a “significant equity interest” in the Company and has not obtained the required approvals from all relevant securities regulatory authorities.

For these purposes, a “significant equity interest” in the context of the Company means:

- (a) in respect of the applicable rules of the Investment Dealers Association of Canada (the “IDA”) and the TSX Venture Exchange Inc., the holding of: (i) voting securities carrying 10% or more of the votes carried by all voting securities of the Company, (ii) 10% or more of the outstanding participating securities of the Company, or (iii) an interest of 10% or more of the total equity in Canaccord Capital Corporation;
- (b) in respect of the applicable rules of the Toronto Stock Exchange, the holding, directly or indirectly and alone or in combination with any other person, of securities: (i) carrying 20% or more of the votes carried by all voting securities, (ii) carrying the right to receive 20% or more of any distribution of earnings, and (iii) accounting for 20% or more of the total capital or equity of the Company;
- (c) in respect of the applicable rules of the Bourse de Montréal Inc. (the “Bourse”) (where a significant equity interest is referred to as a “major position”), having the power to direct or cause the direction of the management or policies of Canaccord Capital Corporation whether through ownership of securities, by contract or otherwise, and a person is considered to hold a major position in the capital of the Company pursuant to the rules of the Bourse if such person, directly or indirectly: (i) has the right to vote 10% or more of the voting securities, or (ii) is entitled to receive 10% or more of the net profits of the Company;
- (d) in respect of the applicable rules of the Autorité des marchés financiers in Québec, the direct or indirect ownership or holding of more than 10% of the voting rights attached to securities issued by the Company; and
- (e) in respect of the applicable rules of the National Association of Securities Dealers in the United States, a change in the equity ownership of the Company that results in one person or entity directly or indirectly owning or controlling 25% or more of the equity.

The *Financial Services and Markets Act 2000* (UK) places an obligation on controllers and proposed controllers of Canaccord Adams Limited to obtain the approval of the Financial Services Authority before becoming a controller or increasing the level of control held (in certain circumstances). Failure to obtain approval is an offence under section 191(3) of the *Financial Services and Markets Act 2000* (UK). A “controller” in the context of Canaccord Adams Limited is a person who (along with his or her associates) holds 10% or more of the shares in the Company or is able to exercise significant influence over the management of the Company through his or her shareholding in the Company.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On May 31, 2006, the Company had 47,827,350 common shares outstanding. Each common share carries the right to one vote.

The directors of the Company have set June 12, 2006, as the record date for determining which shareholders are entitled to vote at the Meeting. If a shareholder sells some or all of the common shares that he or she owns after the record date, the person who purchased the common shares will become a shareholder of the Company but may only vote at the Meeting if he or she has asked the Company’s transfer agent, Computershare Investor Services Inc., to include his or her name on the list of shareholders eligible to vote at the Meeting. This request must be made at least 10 days before the Meeting.

To the knowledge of the directors and executive officers of the Company, as of the date of this Circular, the only person or company that beneficially owns, directly or indirectly, or controls or directs, common shares of the Company carrying 10% or more of the voting rights attached to the common shares is The Manufacturers Life Insurance Company which owns 4,943,369 common shares of the Company (10.34% of the outstanding common shares of the Company).

ELECTION OF DIRECTORS

The management of the Company proposes to nominate the persons listed in the following table for election as directors of the Company to serve until their successors are elected or appointed. In the absence of instructions to the contrary, proxies given pursuant to the solicitation by the management of the Company will be voted for the nominees listed in this Circular.

**INFORMATION FOR
SHAREHOLDERS**

Management does not contemplate that any of the nominees will be unable to serve as a director. If any vacancies occur in the slate of nominees listed in the following table before the Meeting, management will exercise discretion to vote the Proxy for the election of any other person or persons as directors.

The following table sets out the names of the nominees for election as directors, the offices they hold within the Company, their principal occupations, the length of time they have served as directors of the Company, the members of each committee of the board of directors and the number of common shares of the Company and its subsidiaries beneficially owned, directly or indirectly, or controlled or directed by each proposed director. The directors of the Company are elected by its shareholders at each annual general meeting and serve until the next annual general meeting or until they resign or their successors are duly elected or appointed.

The information as to shares beneficially owned has been provided by the directors themselves.

CORPORATE GOVERNANCE

Board of directors

The Company currently has 11 directors, five of whom are independent of management as determined under applicable securities legislation. The board of directors recognizes the current trend towards having a majority of "independent" directors but also acknowledges that the Company continues to be a largely employee owned company. In order to facilitate the exercise of independent judgment by the board of directors, the board has appointed a lead director and holds regular meetings without management directors present. The independent directors are Arpad Busson, William Eeuwes, Michael Harris, Terrence Lyons and James Pattison (who is not standing for re-election). If he is elected as a director, Michael Walker will also be an independent director. The other directors are not independent: Peter Brown, Michael Greenwood, Timothy Hoare and Paul Reynolds are members of the executive management of Canaccord; John Zaozirny is a director and paid employee of a subsidiary of the Company (Canaccord Capital Corporation) and Brian Harwood is a director of Canaccord Capital Corporation.

None of the independent directors work in the day-to-day operations of the Company or any of its subsidiaries, are party to any material contract with the Company or any of its subsidiaries or receive any fees from the Company or its subsidiaries, other than directors' fees and expenses.

More information about each director, including any relationship they have with the Company, and other directorships, can be found on pages 7 to 10 of this Circular.

The Chairman of the Board is not an independent director, but the board of directors has appointed Terrence Lyons, who is an independent director, as the Lead Director. There are written terms of reference for the Lead Director. In general, he is responsible to act as the liaison between management and the board of directors to ensure the relationships between management and the board are conducted in a professional and constructive manner. This includes ensuring that the boundaries between the board and management are clearly understood and respected by both management and directors and that the board receives adequate and regular updates from the Chief Executive Officer and other members of management on all issues important to the board's work. He provides support to the Corporate Governance and Compensation Committee in developing director criteria and potential candidates to be recommended for appointment to the board and ensuring an adequate orientation and training program for new board members. He ensures that the board has a process for assessing the performance of the Chief Executive Officer and ensuring that appropriate succession, development and compensation plans are in place for senior management. He reviews director's conflict of interest issues as they arise.

The Lead Director is also responsible to receive and, if appropriate, determine action on any communications from interested parties that are addressed to the independent directors. Such communications can be sent to Mr. Lyons in writing by mail to 406 – 815 Hornby Street, Vancouver, BC V6Z 2E6.

Under the leadership of the Lead Director, at each meeting of the board of directors or one of its committees, the independent directors meet by themselves with the non-independent directors and members of management not in

attendance. The independent directors have held eight such meetings between April 1, 2005, and June 26, 2006. The board is supportive of individual directors and committee chairs engaging independent advisors at the expense of the Company in appropriate circumstances.

Board mandate and position descriptions

- (b) monitor operational and financial results;

- (c) review significant new corporate policies or material amendments to existing policies (including, for example, policies regarding business conduct, conflict of interest and other regulatory requirements).

G. Compliance Reporting and Corporate Communications

The Board has the responsibility to:

- (e) ensure the financial results are reported fairly and in accordance with generally accepted accounting principles;
- (f) report annually to shareholders on the Board's stewardship for the preceding year (the Annual Report).

IV. General legal obligations of the Board of Directors

1. The Board is responsible for:

- (a) directing management to ensure legal requirements have been met, and documents and records have been properly prepared, approved and maintained; and
- (b) approving changes in the Articles, matters requiring shareholder approval, and agendas for shareholder meetings.

2. In British Columbia law, the directors of the Company are subject to fiduciary duties and obligations that are defined partly by common law and partly by statute. It is not possible to define comprehensively what the duties and obligations are, but the most important of them are the following:

- (a) subject to the *Business Corporations Act* and the articles of the Company, the directors must manage or supervise the management of the affairs and business of the Company (s. 136(1), *Business Corporations Act*);
- (b) each director must act honestly, in good faith and in the best interest of the Company (s. 142(1)(a), *Business Corporations Act*);
- (c) each director must exercise the care, diligence and skill of a reasonably prudent person in comparable circumstances (s. 142(1)(b), *Business Corporations Act*);
- (d) every director who, in any way, directly or indirectly, is interested in a proposed contract or transaction with the Company must disclose the nature and extent of their interest at a meeting of the directors and will be liable to account for any profit made unless the procedures in the *Business Corporations Act* and the articles are followed (ss. 147 and 148, *Business Corporations Act*);

- (e) the directors will be personally liable under a number of provincial and federal statutes for such things as unpaid wages, unpaid GST and provincial social service tax remittances, unpaid employment insurance premiums, unpaid Canada Pension Plan remittances and unpaid income tax source deductions.
3. Such duties and obligations may be enforced by the Company, its shareholders or government agencies. Because the Company operates in a highly regulated environment, the special risk that the directors face is that these duties and obligations will be taken into account by the securities regulators in the context of the fitness of the directors to act as directors or to continue to be registered under securities legislation.

The Chairman and Chief Executive Officer provides overall leadership and vision in developing, in concert with the board, the Company's strategic direction and providing overall leadership and vision in developing the tactics and business plans necessary to realize corporate objectives. The board has delegated to the Chairman and Chief Executive Officer the authority to manage the business of the Company to ensure that the strategic direction and business plans are effectively implemented, the results are monitored and reported to the board and financial and operational objectives are attained. The Chairman is also the Chief Executive Officer. At this stage of development of the Company with its strong employee shareholder base, this combination of the roles of Chairman and Chief Executive Officer is considered appropriate. The principal responsibilities of the Chairman are managing the affairs of the board (including ensuring that the board is organized properly, functions effectively and meets its obligations and responsibilities) and ensuring effective relations among members of the board, shareholders, other stakeholders and the public.

Orientation and continuing education

New director orientation is explicitly addressed in the written Board Operating Guidelines adopted by the board and is a responsibility of the Corporate Governance and Compensation Committee. New directors are provided with substantial reference material pertaining to the Company, its strategic focus, financial and operating history, corporate governance practices and corporate vision. All directors receive a manual containing, among other things, constating documents, an organization chart of the Company and its subsidiaries, corporate fact sheets, list of committees and committee charters and various corporate policies.

Ongoing director education is also explicitly addressed in the Board Operating Guidelines and is also a responsibility of the Corporate Governance and Compensation Committee. Regular background briefings are added to the agendas of meetings of the board on topics relating to significant aspects of the Company's business and operations, including key business units and the legal, regulatory and industry requirements and environment in which the Company operates.

On a regular basis, the board will visit the Company's major operating centres and receive briefings in areas of critical and strategic importance. The board has also conducted a full day off-site strategic planning meeting with the members of senior management from Canada, the United Kingdom and the United States.

Ethical business conduct

The board has adopted a written Code of Business Conduct and Ethics for the directors, officers and employees. It can be found among the documents filed by the Company on SEDAR at www.sedar.com and on the Company's Web site at www.canaccord.com (under "Investor Relations – Corporate Governance"). Directors will be required annually to acknowledge in writing their agreement to comply with the Code and a system is currently being implemented to require all employees to do likewise. To the knowledge of the board, there have been no departures from the Code during fiscal 2006 that would have required the filing of a material change report.

The board has appointed Ward McMahon, a highly respected long term employee of the Company and former Senior Vice President, Credit & Compliance, as the Chief Ethics Officer. Mr. McMahon reports to the board on compliance with the Code.

In accordance with the Code and the *Business Corporations Act* (British Columbia), any director who is aware of a material transaction or relationship that could reasonably be expected to give rise to a conflict of interest must discuss the matter promptly with the Lead Director, and, in the case of matters considered by the board, must disclose the interest to the board and abstain from voting.

COMMITTEES OF THE BOARD OF DIRECTORS

The board has delegated certain of its responsibilities to two committees, each of which has specific roles and responsibilities as defined by the board. All board committees are made up solely of non-management directors, a majority of whom are independent of management as determined under applicable securities legislation. The Audit Committee is composed of two independent directors and a third director who is related only as a director of a subsidiary. The Corporate Governance and Compensation Committee is composed entirely of independent directors.

Audit Committee

The Audit Committee assists the board of directors in fulfilling its oversight responsibilities by monitoring the Company's financial reporting practices and financial disclosures. Specific responsibilities and duties of the Audit Committee include reviewing the Company's annual and interim consolidated financial statements, annual and interim management's discussion and analysis and press releases relating to them before dissemination to the public; assessing the Company's accounting policies including discussing the appropriateness of such policies with management and the Company's external auditors; assisting management to identify the Company's principal business risks; reviewing the external auditors' plans for evaluating and testing the Company's internal financial controls; and overseeing the Company's external auditors including approving the external auditors' terms of engagement. Members of the Audit Committee are appointed annually by the board of directors. The committee has full access to staff and resources. At all regular committee meetings during the year, a portion of the meeting is held without management present to allow a more open discussion.

The members of the Audit Committee are Terrence Lyons (Chairman), William Eeuwes and Brian Harwood. Each of them is financially literate; that is, they are able to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements. Messrs. Lyons and Eeuwes are independent of management and Mr. Harwood has been appointed at the discretion of the board of directors in accordance with applicable securities legislation. The Audit Committee met nine times in the period from April 1, 2005, to June 26, 2006.

The Audit Committee has adopted a charter which specifically defines the roles and responsibilities of the Audit Committee. The Audit Committee has direct communication channels with the external auditors and Chief Financial Officer and senior finance staff and discusses and reviews issues with each of them on a regular basis.

The Audit Committee is responsible to ensure management has designed and implemented an effective system of internal control.

The external auditors are recommended by the Audit Committee and appointed annually by the Company's shareholders. They report directly to the Audit Committee. After consultation with management, the Audit Committee is responsible for setting the external auditors' compensation. The external auditors attend each meeting of the Audit Committee, and a portion of each meeting is held without the presence of management. The Audit Committee reviews and approves annually the external auditors' audit plan and must approve any non-audit work by the external auditors. The Chief Financial Officer and senior finance staff attend each meeting of the Audit Committee. The Audit Committee reviews and approves annually the internal audit plan.

Additional information about the Audit Committee (including the charter of the Audit Committee and details of external auditor service fees) is contained in the Company's annual information form (AIF) for the year ended March 31, 2006, which can be found on SEDAR at www.sedar.com and on the Company's Web site at www.canaccord.com (under "Investor Relations – Financial Reports").

Corporate Governance and Compensation Committee

The Corporate Governance and Compensation Committee's mandate includes the development and recommendation to the board of directors of appropriate corporate governance guidelines; the identification of future board and committee members and the annual review of the board's performance; evaluating the Chief Executive Officer's performance and determining his compensation; reviewing and making recommendations to the board of directors with respect to the compensation of all executive officers; fixing and determining (or delegating the authority to fix and determine) awards to employees of stock or stock options under the Company's incentive plans; and reviewing key human resources policies and programs. The committee also functions as the nominating committee for the board and, with the Chief Executive Officer and the Chief Operating Officer, as a stock issuance committee delegated with the authority of the full board to issue shares of the Company.

INFORMATION FOR SHAREHOLDERS

This committee must be composed of at least three members who are independent of management, each of whom is appointed annually by the board of directors. The committee has full access to staff and resources. At all regular committee meetings during the year, a portion of the meeting is held without management present to allow a more open discussion.

The members of the Corporate Governance and Compensation Committee are Michael Harris (Chairman), William Eeuwes and Terrence Lyons, each of whom is independent of management as determined under applicable securities legislation. The Corporate Governance and Compensation Committee met eight times in the period from April 1, 2005, to June 26, 2006.

The process by which the board determines compensation for directors is described in this Circular under the heading "Compensation of directors" on page 20 and the process by which the board determines compensation for officers and employees is described in this Circular under the heading "Report on executive compensation" on page 17.

NOMINATION OF DIRECTORS

The Corporate Governance and Compensation Committee reviews annually the general and specific criteria applicable to candidates to be considered for nomination to the board. The objective of this review will be to maintain the composition of the board in a way that provides the best mix of skills and experience to guide the long term strategy and ongoing business operations of the Company. This review takes into account the desirability of maintaining a reasonable diversity of background skills and experience and personal characteristics among the directors, along with the key common characteristics required for effective board participation.

Although it is the full board that is responsible for identifying suitable candidates to be recommended for election to the board by the shareholders, the Corporate Governance and Compensation Committee has the responsibility to gather the names of potential nominees, screen their qualifications against the current skill and experience needs of the board and make recommendations to the full board. All directors are encouraged to suggest potential candidates and the Chairman and Chief Executive Officer provides additional direct input to the process.

ASSESSMENTS

The board has established a formal process of evaluation of the board, its committees and individual directors. A detailed survey covering board organization, the Chairman of the Board, the Lead Director, management and human resources, strategy and plans, financial and corporate issues, shareholder communications and the function of board committees will be distributed annually to all directors. The survey will be strictly confidential to encourage full and frank comments (with the outside board governance consultant compiling the results to ensure such confidentiality). The outside consultant will prepare a summary report and recommendations and submit those to the Lead Director. The Lead Director will meet with each director individually to review the report and recommendations and to review their role on the board of directors. The Corporate Governance and Compensation Committee will also review the report and recommendations. It is intended that this process will be completed each year for the Committee to undertake its annual review of the criteria applicable to candidates to be considered for nomination to the board.

With the recommendations of the Corporate Governance and Compensation Committee, the full board of directors will then assess the effectiveness of the board as a whole, the board committees and the contributions of individual directors. The full board will then take whatever steps are necessary, based on the feedback and surveys, to make any changes necessary to enhance the performance of the board.

REPORT ON EXECUTIVE COMPENSATION

Overview and philosophy

The Company and its operating subsidiaries (referred to as “Canaccord”) have a formal performance management process with defined objectives for each employee, including executives, which support the success of the Company and enhance shareholder value. These defined objectives are a part of our performance-oriented culture which holds both leaders and employees accountable for results. These objectives are particularly important for senior officers who have a significant impact on corporate strategies and long term business planning. The Corporate Governance and Compensation Committee determines the compensation of the Chief Executive Officer and reviews and makes recommendations to the board of directors with respect to the compensation of all executive officers.

Because of the seasonal nature of much of the Company’s revenue, it strives to minimize fixed compensation costs and instead employs variable, incentive based cash compensation as a major component of all executive (and other senior employee) compensation. Variable compensation is structured to directly reward merit and links compensation with both individual and Company performance. Approximately 51% of the Company’s revenue was allocated to the incentive compensation pool in fiscal 2006 from which executives and other employees were remunerated. An additional 7% of

the Company's revenue was expensed for salaries and benefits for both executives and employees of the Company. These percentages of the Company's revenue are reviewed by the Corporate Governance and Compensation Committee but the allocations among executive officers and employees are determined by management. Although the Chief Executive Officer, the Chief Operating Officer and the Chief Financial Officer all receive a base salary, the greater part of their compensation comes from variable cash incentive compensation.

The Company has both long and short term business plans and objectives. The separate business units and individual executives, senior officers and employees within each unit have specific quarterly and annual performance targets. Variable compensation is based on the achievement of these targets, the overall performance of the Company, the leadership provided to the Company or business unit and general market conditions.

The Corporate Governance and Compensation Committee also reviews annually the compensation paid to directors. In assessing the compensation of directors, the committee reviews external surveys and other third party information pertaining to compensation paid by the Company's industry peers to their directors. The committee strives to set the cash compensation paid to the Company's directors at the median of that paid by other senior investment dealers. See page 20 of this Circular for information on the cash compensation received by the directors in fiscal 2006.

Criteria

Executive compensation is established based on the following criteria:

- Attract and retain the best individuals in their field by offering competitive compensation within current industry and peer group norms and expectations
- Enhance shareholder value by directly linking compensation to both personal and business results and overall market performance
- Enhance executive accountability to all stakeholders

Executive compensation has two components:

- Base salary, which is based on the market value of the role, internal pay equity and the individual's demonstrated ability to perform
- Short term incentive compensation which is linked to the results of their specific operating group or the Company as a whole, depending on their role in the organization, the strategic positioning of the Company and the leadership provided to the Company and individual business units

Executive share ownership guidelines

Canaccord strongly encourages all executives to own shares in the Company. Employee ownership in Canaccord exceeded 52% in fiscal 2006 with senior officers of the Company and its subsidiaries holding 33% of the total outstanding common shares. To facilitate maximum levels of share ownership among key employees, in August 2005, the Company implemented an Employee Share Incentive Plan which was targeted at key, executive level employees of the Company who at that time did not have significant holdings of the Company's shares.

Chief Executive Officer's compensation

Peter M. Brown has served as Chairman, Chief Executive Officer and a director of the Company during fiscal 2006.

The board of directors has delegated day-to-day management of the Company to the Chairman and Chief Executive Officer and other senior officers. The Chairman and Chief Executive Officer provides overall leadership and vision in developing, in concert with the board, the Company's strategic direction and the tactics and business plans necessary to effectively implement these plans. The Chairman and Chief Executive Officer is responsible for meeting the annual corporate objectives which conform with the overall strategic plan and budgets. The results are monitored and reported to the board as financial and operational objectives are met.

The Corporate Governance and Compensation Committee measures the performance of the Chairman and Chief Executive Officer, in part by the degree to which the Company successfully meets its objectives and carries out the business plans within set budgetary limits.

Mr. Brown’s compensation has two components which in fiscal 2006 were base salary in the amount of \$216,500 and cash incentive compensation in the amount of \$5,118,216. The cash incentive compensation is a percentage of consolidated net income before taxes and an allocation from certain other incentive compensation pools.

The Committee has approved a similar compensation package for Mr. Brown in fiscal 2007.

Canaccord Adams compensation

Canaccord Adams, the division of the Company which conducts investment banking, research and trading activities on behalf of corporate, institutional and government clients and principal trading, has operations in Canada, the United Kingdom and the United States. Compensation for the senior officers of this business segment is benchmarked against average compensation paid to senior officers of comparable financial institutions who hold similar positions and is designed to both recruit and retain the most talented individuals in the marketplace. Eligible employees of Canaccord Adams participate in incentive compensation programs that are linked to both the performance of the capital markets group and the overall results of the Company and which reflect compensation practices within the industry in their geographic location. Individual bonuses are based on the results of the business unit and the contribution of the individual to that profitability.

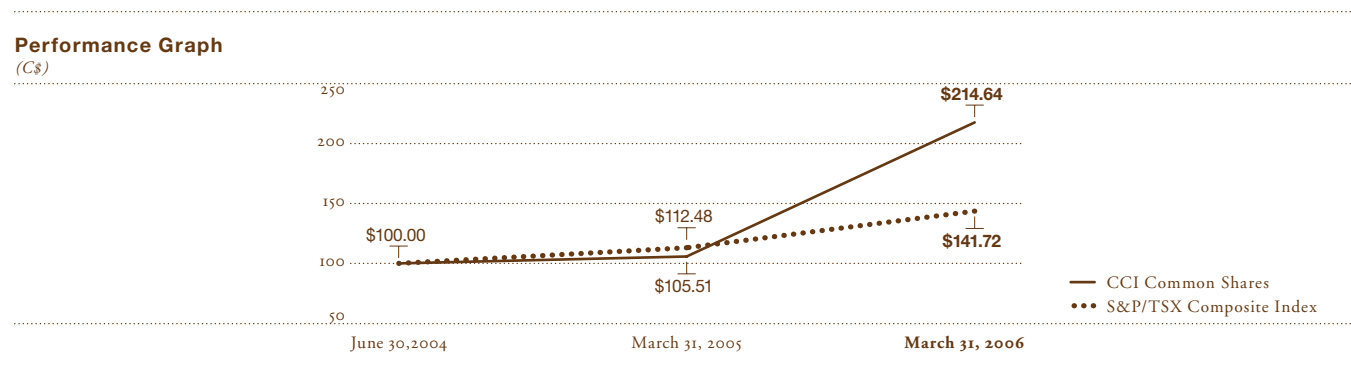

Private Client Services compensation

Canaccord’s Private Client Services (“PCS”) business segment has 430 Investment Advisors located in offices across Canada. Compensation for the senior officers of the PCS segment is benchmarked against average compensation paid to senior officers of comparable financial institutions who hold similar positions and is designed to both recruit and retain the most talented individuals in the marketplace.

Individual bonuses of senior officers of PCS are based on the results of the business unit which the senior officer oversees and the contribution of the senior officer to the profitability of that business unit.

PERFORMANCE GRAPH

The following performance graph shows the cumulative return from June 30, 2004 (when the initial public offering for the Company was completed) to the end of fiscal 2006 (March 31, 2006) for the common shares of the Company (assuming reinvestment of dividends) compared to the S&P/TSX Composite Index. The graph and table show what a \$100 investment in the index and the Company’s common shares, made on June 30, 2004, would be worth at the end of fiscal 2006.

COMPENSATION OF DIRECTORS

From April 1, 2005, to January 31, 2006, non-executive directors were paid an annual fee of \$25,000 per year. In addition, non-executive directors were paid a fee of \$1,000 for each board or committee meeting attended. From the date of his appointment at the board meeting on November 8, 2006, the Lead Director was paid an additional fee of \$25,000 per year (pro-rated for the period of his appointment). The Chairman of the Audit Committee was paid an additional fee of \$10,000 per year and other committee chairmen were paid an additional fee of \$5,000 per year.

Since February 1, 2006, non-executive directors are paid an annual fee of \$50,000 per year. In addition, non-executive directors are paid a fee of \$1,500 for each board or committee meeting attended. The Lead Director is paid an additional fee of \$30,000 per year. The Chairman of the Audit Committee is paid an additional fee of \$15,000 per year and other committee chairmen are paid an additional fee of \$5,000 per year.

The directors are also entitled to reimbursement for out-of-pocket expenses for attendance at meetings of the board and any committees of the board.

Approval of security based compensation arrangements

At the Meeting, shareholders will be asked to approve the issue of 25,000 common shares of the Company to a director, Arpad A. Busson, at \$14.00 per share as additional compensation for his acting as a director of the Company. Approval must be given by a majority of the shareholders voting at the Meeting (excluding Mr. Busson and his affiliates and associates). The shares will be subject to restrictions on sale or transfer for two years from May 16, 2006: half of the shares will be released from these restrictions on May 16, 2007, and the balance will be released from these restrictions on May 16, 2008. Mr. Busson was elected as a director of the Company at the 2005 annual general meeting on August 5, 2005, and on that date the shares of the Company closed on the Toronto Stock Exchange at \$9.70 per share. At the time an agreement was reached between Mr. Busson and the Company about the securities based compensation arrangement appropriate for his circumstances, the shares of the Company were trading in the range of \$14.00. The Corporate Governance and Compensation Committee (comprised only of directors independent of management) has endorsed the principle that directors should hold shares of the Company worth at least five times their annual retainer, and the proposed issue of shares to Mr. Busson meets that requirement and compares with the 30,000 common shares of the Company purchased at the time of their election (and before the June 2004 initial public offering) by the other independent directors who did not previously own shares of the Company. The 25,000 common shares to be issued to Mr. Busson constitute 0.05% of the outstanding capital of the Company.

Insurance coverage and indemnification

The Company's directors and officers and the directors and officers of its affiliate entities are covered under directors and officers insurance policies providing an aggregate limit of liability to the insured directors and officers of \$30 million.

The Company's articles also provide for mandatory indemnification of its directors and former directors from and against liability and costs in respect of any action or suit against them in connection with the execution of their duties or office, either for the Company or any affiliated entity, subject to certain customary limitations. The Company has entered into a director's indemnification agreement with each of the directors which supplements the articles and provides, among other things, for payment of expenses as they are incurred (subject to repayment if it is later determined that the director was not entitled to be indemnified), the determination of entitlement by independent legal counsel and the maintenance of insurance at the current levels if it is reasonably available.

The Company has a share option plan (the “Share Option Plan”) whereby it may grant options to purchase common shares to directors, officers, employees and consultants of the Company and its affiliates. The Share Option Plan is designed to advance the interests of Canaccord by encouraging directors, officers, employees and consultants to have equity participation in the Company through the acquisition of common shares. Options to purchase common shares may be granted from time to time by the board of directors at an exercise price determined by them, which in no case would be less than that required by any applicable regulatory authority. The Share Option Plan was approved by the Company’s shareholders at the Company’s 2004 annual general meeting on June 21, 2004.

The number of common shares issuable pursuant to options granted under the Share Option Plan is fixed at 4,612,927 common shares. The maximum number of common shares available for issuance to any one person under the Share Option Plan is 5% of the common shares outstanding at the time of the grant. Options granted under the Share Option Plan are non-transferable other than in accordance with the Share Option Plan and must be exercised no later than 10 years after the date of the grant or a lesser period as determined by the board of directors and approved by any applicable regulatory authority.

There are no outstanding options to purchase securities of the Company.

The Share Option Plan also provides for share appreciation rights subject to activation of such provisions by the board of directors. If such rights are activated, an optionee would be entitled to elect to terminate his or her option, in whole or in part, and, in lieu of purchasing the common shares to which the terminated option relates, receive that number of common shares which, when multiplied by the value per share of the common shares, has a total value equal to the product of the number of such common shares multiplied by the difference between the value per share and the exercise price per share of such common shares.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

The following table sets out the aggregate indebtedness (other than “routine indebtedness”) outstanding as at May 31, 2006, entered into in connection with a purchase of securities of the Company and all other indebtedness of all executive officers, directors, employees and former executive officers, directors and employees of the Company or any of its subsidiaries.

Aggregate indebtedness

Purpose (a)	To the Company or its subsidiaries (b)	To another entity (c)

Indebtedness of directors and executive officers under securities purchase programs

Name and principal position (a)	Involvement of company or subsidiary (b)	Largest amount outstanding during fiscal 2006 (c)	Amount outstanding as at May 31, 2006 (d)	Financially assisted securities purchases during fiscal 2006 (#) (e)	Security for indebtedness (f)	Amount forgiven during fiscal 2006 (g)

Peter Virvilis Executive Vice President, Operations, and Treasurer	Subsidiary the lender	\$ 76,000	\$ 76,000	20,000 Common shares	Shares purchased	\$ -

The indebtedness of the executive officers is incurred in connection with the Employee Share Incentive Program implemented in August 2005, and targeted at key, executive level employees of the Company who did not have significant holdings of the Company’s shares. Shares of the Company were purchased by each employee at the market price on the date of purchase. The subsidiary of the Company which employed the executive officer lent to the executive officer, without interest, 40% of the aggregate purchase price of the shares and agreed, subject to certain terms, to forgive one-quarter of the loan on each of the first, second, third and fourth anniversaries of the purchase. If the executive officer resigns or is terminated for cause, then that proportion of all shares purchased which the unforgiven portion of the loan bears to the aggregate purchase price will be repurchased by the officer’s employer; this has the effect of limiting the recourse on the loan to a portion of the shares purchased. All shares purchased are subject to a security interest in favour of the employer, are held in escrow and bear a legend reflecting the restrictions on the shares.

None of the directors or executive officers of the Company has more than “routine indebtedness” to the Company.
